41-3

ALMERIC FITZROY.

A la Cour au Palais de Buckingham, le 11e jour de mars 1915

PRÉSENT :

Sa Très Excellente Majesté le Roi en Conseil.

ATTENDU que le gouvernement allemand a publié certains arrêtés qui, en violation des usages de la guerre, ont pour but de déclarer toutes les eaux entourant le Royaume-Uni une superficie militaire dans laquelle tous les vaisseaux marchands britanniques et alliés seront détruits, sans s'occuper de la vie des passagers et de l'équipage, et dans laquelle les navires marchands neutres seront exposés au même danger en vue des éventualités de la guerre navale ;

Et attendu que dans un mémoire accompagnant les dits arrêtés, les neutres ont été notifiés de ne pas confier les équipages, les voyageurs ou les marchandises aux navires britanniques ou alliés ;

Et attendu que ces tentatives de la part de l'ennemi donnent un droit de représailles indiscutable à Sa Majesté ;

Et attendu que Sa Majesté a en conséquence décidé d'adopter d'autres mesures afin d'empêcher que des produits d'aucune sorte ne puissent atteindre ou quitter l'Allemagne, quoique ces mesures seront mises en force

sans risques pour les vaisseaux neutres ou pour la vie des neutres ou des non combattants, mais au contraire en observant strictement les lois de l'humanité ;

Et attendu que les alliés de Sa Majesté sont associés avec lui dans les mesures qui sont maintenant annoncées pour restreindre encore davantage le commerce de l'Allemagne,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner et il est ordonné comme suit :

I. Il ne sera permis à aucun navire marchand sorti de son port de départ après le 1er mars 1915 de se rendre dans aucun port allemand.

A moins que ce navire ne reçoive un laissez-passer lui permettant de se rendre dans quelque port neutre ou allié à être nommé dans ce laissez-passer, les marchandises à bord d'un tel navire devront être déchargées dans un port anglais et laissées en charge du fonctionnaire du tribunal des prises. Les marchandises ainsi déchargées, si elle ne sont pas contrebande de guerre et si elle ne sont pas réquisitionnées par Sa Majesté, seront restituées par ordre du tribunal et aux conditions que le tribunal trouvera justes, à la personne qui y aura droit.

II. Il ne sera permis à aucun navire marchand, parti d'un port allemand après le 1er mars 1915, de continuer son voyage avec des marchandises prises dans un tel port.

Toutes les marchandises prises dans un tel port devront être déchargées dans un port anglais ou allié. Ces marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté, elles seront détenues ou vendues sous la direction du tribunal des prises. Le produit de ces marchandises, si elles sont vendues, sera versé au tribunal et il en sera fait ce que ce tribunal ordonnera.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre chargée d'un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

III. Tout vaisseau marchand parti après le 1er mars 1915 pour un port autre qu'un port allemand et portant des marchandises destinées à un pays ennemi ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, les marchandises seront mises sous la garde du fonctionnaire du tribunal des prises et, à moins qu'elles ne soient contrebande de guerre, ou qu'elles ne soient requises pour le service de Sa Majesté, elles seront restituées par ordre du tribunal dans de telles conditions qu'il plaira au tribunal d'ordonner, à la personne qui y aura droit.

Pourvu que le présent article ne s'appliquera pas à aucun cas tombant sous les dispositions des articles II ou IV du présent arrêté.

IV. Tout navire marchand parti d'un port autre qu'un port allemand, après le 1er mars 1915 et ayant à bord des marchandises d'origine ennemie ou qui sont la propriété d'un ennemi, pourra être obligé de décharger ces marchandises dans un port anglais ou allié. Dans ce cas, ces marchandises seront placées sous la garde du fonctionnaire du tribunal des prises et si elles ne sont pas réquisitionnées pour le service de Sa Majesté elles seront détenues ou vendues selon les directions du tribunal des prises. Le montant de la vente de ces marchandises sera versé au tribunal qui en disposera de la manière qu'il trouveront juste.

Pourvu qu'aucun produit de la vente de ces dites marchandises ne sera payé par le tribunal jusqu'à la conclusion de la paix, sauf à la demande du fonctionnaire autorisé de la Couronne, à moins qu'il ne soit démontré que les marchandises étaient devenues propriété neutre avant la publication du présent arrêté.

Pourvu aussi que rien de ce qui est exprimé dans le présent arrêté n'empêchera la remise de propriété neutre

chargée à un tel port ennemi, en en faisant la demande au fonctionnaire autorisé de la Couronne.

V.—(1) Toute personne prétendant avoir un intérêt ou une réclamation au sujet de marchandises (qui ne seraient pas contrebande de guerre) placées en garde du fonctionnaire du tribunal des prises, par le présent arrêté, ou dans le produit de telles marchandises, peut entrer un bref d'assignation devant le tribunal contre le fonctionnaire autorisé de la Couronne et demander qu'un ordre émane afin que les marchandises lui soient restituées ou que le produit de leur vente lui soit payé, ou tout autre ordre que les circonstances exigeront.

(2) La pratique et la procédure du tribunal des prises seront, autant que possible, suivies *mutatis mutandis* dans toute procédure prise en conséquence du présent arrêté.

VI.—Tout navire marchand qui sera parti d'un port anglais ou allié pour un port neutre, ou qui aura reçu un laissez-passer pour un port neutre, et qui se rendra ensuite dans un port ennemi, sera, s'il est capturé, sujet à condamnation.

VII.—Rien dans le présent arrêté ne sera censé affecter en rien la possibilité d'un navire ou de marchandises d'être capturées ou condamnées pour toute autre cause que celles énumérées dans le présent arrêté.

VIII.—Rien dans le présent arrêté n'empêchera d'affranchir de ses dispositions les vaisseaux marchands de quelque nationalité que ce soit qui déclareront qu'aucun commerce venant de l'Allemagne ou de sujets allemands ne jouira de la protection de son drapeau.

Au comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 15 mars 1915, représentant que M. Archibald Walker, de Prince-Albert, est propriétaire du quart sud-est de la section 22, township 47, rang 1, à l'ouest du 3e méridien, qui est adjacent à la borne de la réserve Pines Forest, dans la province de Saskatchewan ; que ce terrain a été examiné et qu'on a constaté que le sol était très sableux et couvert d'une quantité considérable de l'essence dite "Jack Pine," et qu'il convient mieux à la production forestière qu'à l'agriculture ; que si possible ce terrain devrait, par conséquent, être inclus dans la réserve de Pines Forest ; que M. Walker a consenti à céder ce quart de section pour cette fin pourvu qu'on lui concède un autre quart de section pour remplacer celui-là,—

Par conséquent, le Ministre recommande que dès que M. Walker aura exécuté un acte de cession du terrain en question la concession lui soit accordée du quart sud-ouest de la section 23, township 46, rang 27, à l'ouest du 2e méridien, cette partie des terres fédérales étant vacante et disponible.

Par conséquent, comme il a été prouvé que le requérant occupait les terrains en question à la date de la conclusion du traité indien n° 8, à l'été de 1899, le Ministre recommande qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales* la concession à M. Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mille de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

Novembre 1906.....	population 130
Décembre 1909.....	“ 177
Août 1910.	“ 188
1913... ..	“ 196

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre du Service Naval, daté le 23 mars 1915, soumettant que les fonctionnaires techniques du département ont représenté que par un arrêté en conseil, C. P. n° 1979, du 1er août 1914, un tarif de solde a été établi pour les officiers de la Réserve volontaire de la Marine Royale Canadienne. Ce tarif ne pourvoit pas à l'allocation ordinaire pour les officiers de la marine ;

Toutefois, il a été jugé nécessaire, depuis le commencement des hostilités, d'employer des officiers de la Réserve volontaire de la marine à des devoirs pour lesquels les officiers de la Marine Royale Canadienne reçoivent une allocation, —

Le Ministre recommande qu'afin d'éviter toute injustice les allocations accordées par arrêté en conseil aux officiers de la Marine Royale Canadienne pour certains services soient aussi payées aux officiers de la Réserve volontaire de la Marine Royale Canadienne employés aux mêmes devoirs.

Le comité soumet cette recommandation pour approbation.

“9. (a) La pêche aux rets du saumon et de l'aloise ne sera permise dans les rivières Annapolis et Nictaux que le lundi et le mardi de chaque semaine au cours des saisons de pêche.

(b) L'emploi des rets pour la pêche du saumon est restreint aux eaux de marées.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 avril 1915, représentant qu'en novembre 1905 le vice-président et le gérant général de la Compagnie du chemin de fer Grand-Tronc-Pacifique ont représenté que les patentes accordées à la compagnie pour les terres auxquelles elle avait droit en vertu de l'article 46 de la Convention incorporée à la *Loi du Chemin de fer National Transcontinental* réservaient à la Couronne les mines et les minéraux. Il est important que la Compagnie ne soit pas embarrassée dans la construction de sa voie ferrée par le fait qu'il est permis à d'autres d'acquérir les droits miniers sous la surface des terrains qu'elle a acquis. Il a été demandé que la compagnie soit considérée premiers requérants pour les droits miniers sur ces terrains, et qu'une note à cet effet soit faite dans les archives du Département de l'Intérieur ;

Par un arrêté en conseil, daté le 19 avril 1906, il a par conséquent été décrété que dès que serait fournie la description des terrains que la compagnie désire acquérir pour ces fins, les dits terrains soient soustraits de l'inscription minière et de la vente pour l'extraction de la houille et autres fins minières, et qu'au cas où une personne ou compagnie quelconque demanderait la permission d'acquérir les droits miniers sous ces terrains la compagnie de chemin de fer soit considérée premiers requérants, et que ces droits miniers lui soient accordés sous l'empire des dispositions des règlements à cet effet,—

Il appert que la demande de la compagnie de chemin de fer de lui réserver les droits miniers sous ces terrains n'était que pour la période de construction de la voie ferrée, et comme la construction de ce chemin de fer est maintenant parachevée et que les terrains que la compagnie pouvait acquérir ont tous été choisis, le Ministre recommande que l'arrêté en conseil du 19 avril 1906 ci-dessus mentionné—faisant cette réserve—soit maintenant rescindé.

Le comité soumet cette recommandation pour approbation.

A TTENDU que par un arrêté en conseil de Son Honneur le lieutenant-gouverneur de la province de Manitoba, adopté le 6 octobre 1914, demande a été faite au gouvernement du Canada de transférer à la province de Manitoba le droit de passage d'un chemin dans le quart nord-est de la section 17, et la moitié ouest de la section 16, township 18, rang 20, à l'ouest du méridien principal, ainsi qu'indiqué sur un plan du dit chemin signé par Richard Jermy Jephson, arpenteur fédéral, le 21 mars 1914,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions de l'article 13, du chapitre 99 des Statuts révisés du Canada, 1906, de décréter par ces présentes que le chemin indiqué sur le dit plan qui a été déposé au département de l'Intérieur sous le No 21809, contenant une superficie de 4.06 acres dans le quart nord-est de la section 17, 1.12 acres dans le quart nord-ouest de la section 16 et 3.78 acres dans le quart sud-ouest de la dite section 16, ainsi qu'indiqué sur le dit plan, soit transféré à la Couronne pour la province de Manitoba.

A U comité du Conseil privé a été soumis un rapport du Ministre du Service Naval, daté le 31 mars 1915, représentant que l'Amirauté a institué deux nouvelles classes, première et seconde, dans le service téléométrique, mais sans désignation spéciale ;

Les fonctionnaires techniques du Service Naval recommandent l'institution de ces deux classes, première et seconde, du service téléométrique, qui seront payées 10 cents et 5 cents par jour respectivement, les marins de la seconde classe pouvant être promus à la première classe après un minimum de trois ans dans le service téléométrique, s'ils sont déclarés qualifiés ;

Ces nouvelles classes seront ouvertes à tous les marins ordinaires, mais la solde du service téléométrique ne pourra être payée à des canonnières de rang autre que celui de simple canonnière.

Le Ministre approuve les recommandations des fonctionnaires techniques du département du Service Naval et recommande que l'autorisation soit accordée d'instituer dans la Marine Royale Canadienne les classes ci-dessus mentionnées.

1. Les dispositions de la loi dite "Naval Discipline Act," 1866, et des lois qui la modifient, et les Règlements du Roi et les Instructions de l'Amirauté, en tant que ces lois, règlements et instructions sont applicables, et sauf en ce qu'ils peuvent être incompatibles avec la *Loi du Service Naval*, sont adoptés, décrétés et promulgués comme règlements pour la gouverne de la Marine Volontaire en vertu des dispositions de l'article 26 de la *Loi du Service Naval*.

A U Comité du Conseil privé a été soumis un rapport du Ministre du Service Naval, daté le 1er avril 1915, représentant que dans l'arrêté en conseil du 1er août 1914, prescrivant de quelle manière seront distribués les produits des amendes et les produits de la vente des articles confisqués sous l'empire de la *Loi des pêcheries*, le dernier paragraphe se lit comme suit :

"Le Ministre recommande de plus que dans tous les cas où des amendes sont imposées ou des articles sont confisqués à l'instance d'un fonctionnaire des pêcheries ou d'un garde-pêche à l'emploi du Service Naval, tous les produits de la poursuite et de la vente des articles confisqués soient remis au Ministre des Finances par l'intermédiaire du Département du Service Naval ; mais que lorsque le poursuivant n'est pas un fonctionnaire d'un gouvernement, la moitié de l'amende, ainsi que les frais qui lui sont attribués dans la poursuite, lui soient payés, et que l'autre moitié soit remise au Ministre des Finances par l'intermédiaire du Département du Service Naval."

Bien que d'après le texte complet de l'arrêté en conseil il soit évident que l'intention était que ce ne serait que dans le cas des fonctionnaires des pêcheries qui sont payés pour empêcher les contraventions aux lois des pêcheries que la somme totale des amendes imposées serait payée au Ministre des Finances, l'interprétation de l'article ci-dessus a fait surgir la question de savoir si la gendarmerie à cheval pourrait, comme par le passé, obtenir la moitié des amendes imposées à la suite des plaintes portées par ses officiers.

L'expérience a démontré qu'en accordant à ces officiers une part des amendes imposées on s'assurait de leur part d'une plus grande vigilance pour empêcher les contraventions à la loi, et c'est le désir du Département du Service Naval que cette pratique soit continuée.

Par conséquent, le Ministre recommande que le paragraphe ci-dessus cité de l'arrêté en conseil du 1er août 1914 soit rescindé et que le paragraphe suivant lui soit substitué :

"Le Ministre recommande de plus que dans tous les cas où des amendes sont imposées ou des articles sont confisqués à l'instance d'un fonctionnaire des pêcheries ou d'un garde-pêche à l'emploi du Département du Service Naval, tous les produits de la poursuite et de la vente des articles confisqués soit remis au Ministre des Finances par l'intermédiaire du Département du Service Naval ; mais que lorsque le poursuivant n'est pas un fonctionnaire des pêcheries ou un garde-pêche à l'emploi d'un gouvernement, la moitié de l'amende ainsi que les frais qui lui sont attribués dans la poursuite lui soient payés et que l'autre moitié soit remise au Ministre des Finances par l'intermédiaire du Département du Service Naval."

Au comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 mars 1915, représentant que la compagnie dite “Grand Trunk Pacific Branch Lines Company” a demandé la concession de 16.41 acres de la moitié nord de la section 28-17-20 à l'ouest du 2e méridien, qui peuvent être décrits plus minutieusement comme suit :

Toute la partie de la dite demi-section située au nord d'une ligne parallèle à la borne nord de la dite demi-section et éloignée de cette borne de 135.9 pieds perpendiculairement vers le sud. Ce terrain doit être employé pour le passage de la voie de l'embranchement Regina-Moosejaw ;

Par un arrêté en conseil du 11 août 1911, la moitié nord de la section 28-17-20, à l'ouest du 2e méridien ci-dessus mentionnée, est mise en réserve durant bon plaisir pour la gendarmerie à cheval du Nord-Ouest pour les fins d'un champ de tir, et le contrôleur de la gendarmerie a avisé le Ministre de l'Intérieur qu'il n'a pas d'objection à ce que la demande de la compagnie soit accordée,—

Par conséquent, le Ministre recommande que cette lisière de terrain de 135.9 pieds de largeur soit soustraite de la demi-section réservée à la gendarmerie à cheval du Nord-Ouest.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

WHEREAS there are certain districts in the provinces of Alberta and Saskatchewan in which persons engaged in agricultural pursuits are unable to procure seed grain for use in the season of 1915, and fodder for animals and other goods by way of relief; and whereas it is expedient to provide means whereby such seed grain, fodder for animals, and other goods by way of relief may be furnished to the said persons; and whereas a memorandum of agreement dated the eighteenth day of February, 1915, has been made between the Honourable William James Roche, Minister of the Interior of Canada, on behalf of the Dominion of Canada, and the Honourable George A. Bell, Provincial Treasurer on behalf of the Government of Saskatchewan, a copy of which memorandum of agreement forms Schedule A of this Act; and whereas a memorandum of agreement dated the thirteenth day of February, 1915, has been made between the said the Honourable William James Roche on behalf of the Dominion of Canada, and the Honourable Arthur L. Sifton, on behalf of the Government of Alberta, a copy of which memorandum of agreement forms Schedule B of this Act: Therefore His Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. The Governor in Council shall have power to provide for the purchase, sale, and distribution during the year 1915 among such farmers and settlers in the said provinces of Alberta and Saskatchewan as apply for the same, of seed grain, fodder for animals, and other goods by way of relief, in such quantities and upon such terms as to the taking of security for the repayment of the cost of seed grain, fodder, and other goods by way of relief so supplied, as shall appear necessary or proper.

2. The said agreements, copies of which form the schedules hereto, as aforesaid, and any action heretofore taken by the Governor in Council or by any department of the Government of Canada, during the years 1914 and 1915, to provide the said farmers and settlers with seed grain, fodder for animals, or other goods by way of relief, are hereby approved, ratified, and confirmed.

SCHEDULE A.

Memorandum of agreement between the Honourable W. Roche, Minister of the Department of the Interior, on behalf of the Government of the Dominion of Canada, and the Honourable George A. Bell, Provincial Treasurer, on behalf of the Government of the province of Saskatchewan, entered into this February 18, 1915.

Whereas the Government of the Dominion of Canada and the Government of the province of Saskatchewan recognize that a serious situation exists in a portion of the said province owing to severe drouth which prevailed during the past summer and that the crops in those districts were almost a total failure and that the settlers are in many cases destitute;

And whereas it is generally recognized that to insure the future of the said province it will be necessary to seed down every available acre of land and endeavour to keep up the production of grain;

And whereas the Government of the Dominion of Canada has undertaken a distribution of relief to the settlers affected as aforesaid;

Therefore it is agreed by the said Minister of the Interior and by the said Provincial Treasurer for the province of Saskatchewan as follows:—

First, that the Dominion Government will undertake the distribution of seed grain and relief other than seed grain to homesteaders on patented and unpatented lands alike and in accordance with their necessities, and within the area described as the drouth stricken area, namely approximately from the third meridian to the western boundary of the province of Saskatchewan and from townships one to thirty inclusive, more or less. Also outside of the drouth-stricken area if found advisable to do so.

Second, that the Provincial Government agrees to afford the Government of Canada the same measure of protection

and the same facilities in reference to the collection of advances of seed grain and fodder for animals made to homesteaders on lands now or hereafter patented as is afforded to the Government of Saskatchewan by the Act respecting Seed Grain, being chaptered 8 of the statutes of 1908 of the province of Saskatchewan, as amended; and that the Government of the province of Saskatchewan shall at the next ensuing session of the legislature procure the enactment of such legislation as will afford to His Majesty in the right of Canada the same security in respect of seed grain advances and advances for fodder for animals as is provided for His Majesty in the right of the province under the said Act.

Third, that the province of Saskatchewan hereby agrees to bear the expense of the central distribution office at Winnipeg, and of the officers connected therewith in distributing such seed grain and fodder for animals in respect of patented lands.

Fourth, that the Provincial Government will undertake to protect and legalize the liens for seed grain or for fodder for animals under the provisions hereof which have already been taken or which will be taken hereafter by the Dominion Government against homesteaders on patented lands within the said province of Saskatchewan.

Fifth, that in the cases where liens for seed grain or fodder for animals have been consented to by homesteaders on unpatented lands, and where such homesteaders subsequently obtain their patents, the Provincial Government will undertake to protect and legalize the collection, by the Dominion Government through their authorized agents, of the amounts of such liens against such lands in the same manner as if the liens had primarily been filed against homesteaders on patented lands, such liens to have priority over all other liens, charges or incumbrances until fully paid.

Sixth, that the Provincial Government will undertake to register, free of charge, with the registrar of land titles for each land registration district, the mortgages given by homesteaders on patented lands within the province of Saskatchewan, as well as the liens given by homesteaders on unpatented lands, who may subsequently obtain their patents, and against whom such liens should be recorded on account of not having been paid prior to the securing of such patents, the said liens to have priority over all other liens, charges or incumbrances whatsoever until fully paid.

Seventh, that the Minister of the Interior and the Provincial Treasurer of the province of Saskatchewan will

undertake to have an Order in Council passed as soon as possible by their respective Government to ratify the agreement herewith; and

Eighth, that the Minister of the Interior and the Provincial Treasurer will undertake to have their respective Government pass, at their next session of Parliament, the necessary legislation approving, ratifying and confirming the Order in Council and agreement made for the purpose aforesaid.

 tés du Conseil du cinquième jour de septembre 1914 (C. P. 2325), du vingt-sixième jour de septembre 1914 (C. P. 2450), du vingt-quatrième jour d'octobre 1914 (C. P. 2670), du vingtième jour de novembre 1914 (C. P. 2921), et du seizième jour de décembre 1914 (C. P. 3170), et en conformité de ces arrêtés, des avances jusqu'à concurrence d'une somme de dix millions (\$10,000,000) de dollars sous forme d'une émission de billets du Dominion ont été faites à la Compagnie du chemin de fer *Canadian Northern* contre un nantissement par la Compagnie de ses valeurs garanties émises en conformité des dispositions de la *Loi de garantie* 1914, c. 20.
du chemin de fer Canadian Northern, 1914, en plaçant les sommes ainsi avancées au crédit du Ministre des Finances pour pouvoir effectuer des paiements sous l'empire des dispositions de l'acte fiduciaire garantissant l'émission de ces garanties;

Et considérant que, en ce qui concerne la plus forte partie de ces émissions de billets du Dominion, la garantie en la forme exigée par l'article 5 de la *Loi des billets du Dominion, 1914*, n'était pas tenue;

«18. Une pétition d'élection sous l'empire de la présente loi, et une copie du récipissé du greffier de la cour, peuvent être signifiées à toute personne qui a été candidat à l'élection, au sujet de laquelle les procédures sont prises, soit personnellement ou par l'envoi d'une copie de la pétition et du récipissé, par poste recommandée à l'adresse indiquée pour la signification de documents au bulletin de présentation de cette dite personne, et elles peuvent être signifiées à tout pétitionnaire soit personnellement ou en les envoyant par poste recommandée à l'adresse indiquée pour la signification des documents mentionnés dans la pétition. S'il n'y a aucune adresse indiquée, alors la signification est valable par l'affichage d'une copie de la pétition, du récipissé ou du document dans le bureau du greffier de la cour, et tout autre exploit ou document peut être signifié aussi semblablement que possible de la manière dont de pareils documents ou exploits sont signifiés en matière civile dans la cour où les procédures ont lieu ou de toute autre manière que peuvent prescrire les règles ou un juge de ladite cour.

Réponse.

«19. Dans les quinze jours de la signification d'une pétition le défendeur peut produire entre les mains du greffier

de la cour une réponse par écrit à la pétition et une copie de cette réponse doit être signifiée au pétitionnaire.

«**19A.** Après l'expiration des quinze jours qui suivent la signification de la pétition, qu'une réponse soit ou ne soit pas produite ou signifiée, la contestation est réputée liée, et la cour peut à toute époque ultérieure, sur la demande de l'une ou de l'autre des parties, fixer un jour et un endroit convenables pour l'instruction de la pétition. Contestation liée.

«**20.** Le défendeur peut à toute époque produire et faire signifier un avis qu'il admet la vérité des allégations contenues dans la pétition, ou de l'une ou de plusieurs desdites allégations, et s'il est procédé à l'audition de ladite allégation ainsi admise nonobstant ladite admission, le défendeur ne peut être tenu responsable d'aucuns frais occasionnés par lesdites procédures ultérieures, sauf en ce que le tribunal peut accorder des frais contre lui pour s'être rendu coupable de quelque manœuvre illégale ou frauduleuse. Avis d'admission.

2. Lorsque le défendeur produit et fait signifier un avis d'admission, le pétitionnaire peut immédiatement inscrire la cause pour instruction, et la cour doit fixer un jour à une date aussi rapprochée qu'il est praticable pour procéder à telle instruction. La cour peut décider la cause sur la pétition, l'avis d'admission du défendeur et tous autres documents et faits qui peuvent apparaître au dossier de la cause, ou elle peut exiger l'assignation de tous témoins, et la production de toute preuve et tous documents qu'elle juge nécessaires ou désirables. Fixer le jour de la cause.
Preuve.

10. Est abrogé le paragraphe 1 de l'article 45 et remplacé par le suivant:

«4. Les juges présidant à l'instruction peuvent ajourner celle-ci d'une époque à une autre et d'un endroit à un autre dans le même district électoral, selon qu'il leur paraît plus commode, ou, lorsque, sur la foi d'une déclaration sous serment, il existe des circonstances particulières qui, à leur avis, rendent la chose à propos, d'un endroit à un autre en dehors du district électoral, ou d'un endroit situé dans les limites du district électoral à un endroit situé en dehors du district électoral ou *vice versa*, mais l'instruction doit, autant que praticable, se poursuivre de jour en jour jusqu'à ce qu'elle soit terminée.

Instruction à continuer jusqu'à ce que tous les témoignages soient pris.

«5. Les juges présidant à l'instruction doivent continuer celle-ci jusqu'à ce que tous les témoignages applicables aux détails particuliers produits dans la cause aient été entendus nonobstant toute admission de la part du défendeur, d'actes de corruption ou d'actes illégaux qui suffisent pour annuler l'élection, et nonobstant que la cour soit d'avis qu'elle a entendu assez de témoignages pour annuler l'élection.»

12. Sont abrogés les articles 39 et 40 et remplacés par ce qui suit à titre d'article 39:—

Le greffier de la Cour demande l'instruction.

«39. Aussitôt que possible après l'expiration de trente jours à compter du dépôt de la pétition, à moins qu'un jour n'ait déjà été fixé pour l'instruction, le greffier de la cour doit demander à la cour de fixer, et la cour doit fixer un jour pour l'instruction de la pétition. Avis de la date, de l'heure et du lieu où doit se faire cette demande doit être donné par le greffier de la cour au pétitionnaire et au défendeur au moins cinq jours avant que la demande ne soit faite, et si le pétitionnaire ne comparaît pas à l'heure et au lieu ainsi fixés, la cour doit de suite renvoyer la pétition.»

13. Sont abrogés les articles 64 et 65 et le paragraphe 1 de l'article 67 et remplacés par ce qui suit:—

Droit d'appel sur les objections préliminaires, etc., omis. Appel.

«64. Un appel n'a lieu qu'après la décision finale de la cour après l'instruction d'une pétition d'élection. Si quelque partie n'est pas satisfaite de cette décision, appel peut être interjeté à la Cour Suprême du Canada du jugement ou de la décision de toute question de droit ou de fait par les juges qui ont présidé à l'instruction de la pétition.

Dépôt en cas d'appel.

«65. La partie qui désire interjeter appel doit, dans les huit jours qui suivent le jour où la décision dont est appel a été rendue, déposer entre les mains du greffier de la cour

qui a reçu la pétition, ou entre celles du fonctionnaire autorisé à recevoir les deniers consignés en cour, à l'endroit où l'instruction de la pétition a eu lieu, si c'est dans la province de Québec, et au greffe de la cour devant laquelle la pétition a été présentée, si c'est dans toute autre province, la somme de trois cents dollars, à titre de garantie des frais, et une autre somme de dix dollars comme honoraires pour la préparation et la transmission du dossier à la Cour Suprême du Canada; et ce dépôt peut être fait en monnaie qui constitue offre légale ou en billets de toute banque légalement constituée et faisant des affaires au Canada et nulle autre garantie ne sera nécessaire.

« 67. L'appelant doit dans les trois jours qui suivent l'inscription de l'appel comme susdit, ou dans tel autre délai que fixent le tribunal ou les juges instructeurs qui ont rendu la décision dont est appel ou présidé à l'instruction de la pétition, donner aux autres parties à la pétition concernées dans le dit appel, ou à leurs procureurs, sollicitateurs ou agents respectifs qui ont représenté ces parties lors de l'instruction de la pétition, avis par écrit que cet appel a été ainsi inscrit pour audition ainsi qu'il est dit plus haut, et il peut, dans cet avis, s'il le désire, restreindre le sujet dudit appel à toutes question ou questions spéciales ou déterminées. »

Lorsqu'un pétitionnaire décède, devient incapable ou est autorisé à se retirer, avis doit en être donné par le greffier de la cour par annonce publique dans un ou plusieurs journaux quotidiens ou hebdomadaires publiés dans ou près le district électoral auquel se rapporte la pétition, dans au moins deux numéros consécutifs de ces journaux, laquelle annonce peut être faite selon la formule «D» de l'annexe de la présente loi. Un autre pétitionnaire peut être substitué au pétitionnaire qui décède, devient incapable ou se retire ainsi, et cette substitution peut être effectuée en déposant à la cour dans un mois à compter de la date de la dernière publication de cet avis, ou dans tel délai plus long que la cour peut prescrire, un avis de substitution en la formule «C» de l'annexe de la présente loi. Loi concernant le Grain de semence, le fourrage et autres secours.

[Sanctionnée le 15 avril 1915.]

CONSIDÉRANT qu'il y a certains districts dans les provinces de l'Alberta et de la Saskatchewan dans lesquels des personnes engagées dans des travaux agricoles sont incapables de se procurer du grain de semence pour leur usage dans la saison de 1915 et du fourrage pour les animaux et autres choses sous forme de secours,

Et considérant qu'il est opportun de trouver des moyens de fournir à ces personnes ce grain de semence, ce fourrage et autres choses sous forme de secours,

Et considérant qu'une convention portant la date du dix-huitième jour de février 1915 est intervenue entre l'honorable William James Roche, Ministre de l'Intérieur du Canada, au nom du Dominion du Canada, et l'honorable George A. Bell, Trésorier provincial au nom du gouvernement de la Saskatchewan, dont traduction de ladite convention forme l'annexe A de la présente loi,

Et considérant qu'une convention portant la date du treizième jour de février 1915, est intervenue entre l'honorable William James Roche, au nom du Dominion du Canada, et l'honorable Arthur L. Sifton, au nom du gouvernement de l'Alberta dont traduction de ladite convention forme l'annexe B de la présente loi; A ces causes, Sa Majesté, de l'avis et du consentement du Sénat et de la Chambre des Communes du Canada, décrète:—

1. Le Gouverneur en conseil a le pouvoir de pourvoir à l'achat, à la vente et à la distribution durant l'année 1915 parmi les cultivateurs et colons dans lesdites provinces de l'Alberta et de la Saskatchewan, qui en feront la demande, de grain de semence, de fourrage pour les animaux et autres choses sous forme de secours, en telles quantités et à telles conditions quant à la prise de garantie pour le remboursement du coût du grain de semence, du fourrage et autres choses sous forme de secours ainsi fournis, qui paraissent nécessaires ou convenables.

2. Lesdites conventions, dont une traduction forme les annexes aux présentes comme susdit et toute action ci-devant prise par le Gouverneur en conseil ou par quelque ministère du gouvernement du Canada durant les années 1914 et 1915 pour fournir aux cultivateurs et colons du grain de semence, du fourrage pour les animaux ou autres choses sous forme de secours, sont par la présente loi approuvées, ratifiées et confirmées.

ANNEXE A.

Convention entre l'honorable W. J. Roche, Ministre de l'Intérieur, au nom du gouvernement du Dominion du Canada, et l'honorable George A. Bell, Trésorier provincial, au nom du gouvernement de la province de la Saskatchewan, intervenue le dix-huitième jour de février 1915,

Considérant que le gouvernement du Dominion du Canada et le gouvernement de la province de la Saskatchewan reconnaissent qu'une situation sérieuse existe dans une partie de ladite province à cause de la sécheresse intense qui a sévi durant l'été passé, et que les moissons dans ces régions ont presque complètement manqué et que dans plusieurs cas les colons sont dans l'indigence;

Et considérant qu'il est généralement reconnu que pour assurer l'avenir de ladite province il sera nécessaire d'ensemencer chaque acre de terre disponible et de tâcher de maintenir la production du grain;

Et considérant que le gouvernement du Dominion du Canada a entrepris une distribution de secours aux colons atteints comme susdit;

Il est en conséquence convenu par ledit Ministre de l'Intérieur et par ledit Trésorier provincial pour la province de la Saskatchewan, comme suit:

Premièrement, le gouvernement du Dominion doit entreprendre la distribution de grain de semence et de secours, autres que du grain de semence aux propriétaires de homesteads patentés et non patentés également, selon leurs besoins, et dans la zone décrite comme zone frappée de sécheresse, savoir; approximativement à partir du troisième méridien jusqu'à la frontière ouest de la province de la Saskatchewan et à partir du township un jusqu'au township trente inclusivement, plus ou moins; aussi en dehors de la zone frappée de sécheresse s'il est jugé nécessaire.

Deuxièmement, que le gouvernement provincial s'engage à procurer au gouvernement du Canada le même degré de protection et les mêmes facilités relativement à la perception des avances de grain de semence et de fourrage pour les animaux faites aux propriétaires de homesteads actuelle-

ment patentés ou qui doivent l'être à l'avenir, qui sont attribués au gouvernement de la Saskatchewan par la Loi concernant le grain de semence, chapitre 8 des lois de 1908 de la province de la Saskatchewan tel que modifié; et que le gouvernement de la province de la Saskatchewan, doit, à la session immédiatement suivante de la Législature, obtenir la sanction de toute législation qui attribue à Sa Majesté pour le Canada le même privilège au sujet des avances du grain de semence et des avances pour le fourrage des animaux, qui sont attribués à Sa Majesté pour la province sous l'empire de ladite loi.

Troisièmement, que la province de la Saskatchewan s'engage par les présentes à payer les frais du bureau central de distribution à Winnipeg et des fonctionnaires qui y sont attachés pour la distribution dudit grain de semence et du fourrage pour les animaux relativement aux terres patentées.

Quatrièmement, que le gouvernement provincial doit entreprendre de protéger et de légaliser les privilèges pour le grain de semence ou le fourrage pour les animaux d'après les dispositions des présentes, qui ont déjà été ou qui doivent être à l'avenir attribués au gouvernement du Dominion contre des propriétaires de homesteads patentés dans ladite province de la Saskatchewan.

Cinquièmement, que dans les cas où des privilèges pour le grain de semence ou le fourrage pour les animaux ont été consentis par les propriétaires de homesteads non patentés, et lorsque ces propriétaires obtiennent plus tard leurs patentes, le gouvernement provincial doit entreprendre de protéger et légaliser la perception, par le gouvernement du Dominion par l'entremise de ses agents autorisés, des montants de ces privilèges sur ces terres de la même façon, que si les privilèges avaient été en premier lieu inscrits contre les propriétaires de homesteads patentés, ces privilèges devant avoir priorité sur tous autres privilèges ou charges jusqu'à ce qu'ils aient été entièrement acquittés.

Sixièmement, que le gouvernement provincial doit entreprendre d'enregistrer, à titre gratuit, chez le registraire des titres de terres pour chaque district d'enregistrement des terres, les hypothèques consenties par les propriétaires de homesteads sur des terres patentées dans la province de la Saskatchewan, de même que les privilèges consentis par les propriétaires de homesteads sur des terres non patentées, qui peuvent subséquemment obtenir leurs patentes, et contre lesquels ces privilèges doivent être enregistrés comme n'ayant pas été acquittés avant la prise de possession desdites patentes, lesdits privilèges devant avoir priorité sur tous autres

privilèges ou charges quelconques jusqu'à ce qu'ils aient été entièrement acquittés.

Septièmement, que le Ministre de l'Intérieur et le Trésorier provincial de la province de la Saskatchewan, se chargent de faire adopter un arrêté du conseil aussitôt que possible par leur gouvernement respectif pour ratifier la présente convention; et

Huitièmement, que le Ministre de l'Intérieur et le Trésorier provincial de la province de la Saskatchewan, se chargent de faire adopter par leur gouvernement respectif à leur prochaine session du Parlement, la législation nécessaire approuvant, ratifiant et confirmant l'arrêté du conseil et la convention faite pour les objets susdits.

En foi de quoi les parties aux présentes ont apposé leurs signatures aux présentes les jours et au en premier lieu écrits.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

43-2

[757]

AT THE GOVERNMENT HOUSE AT OTTAWA

Tuesday, the 13th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 1st April, 1915, from the Minister of the Naval Service, submitting, with reference to the Order in Council dated 1st August, 1914, prescribing the manner in which the proceeds of penalties and the proceeds of sales of confiscated articles under The Fisheries Act, shall be distributed, that the final paragraph of that Order in Council reads as follows :

"The Minister further recommends that in all instances where penalties are imposed or articles are confiscated following a prosecution by a Fishery Officer or a Fishery Guardian employed by the Department of the Naval Service, the whole of the proceeds of such prosecution, and of the proceeds of the sale of such confiscated articles, shall be paid to the Minister of Finance, through the Department of the Naval Service, but that when the prosecutor is not an Officer of any Government, a moiety of the penalty levied, together with costs taxed to him in respect thereof, shall be paid to him, and the other moiety to the Minister of Finance, through the Department of the Naval Service."

That while, from the context of the whole Order, it is clear that it was the intention that it was only in the case of Fishery Officers, who are paid to prevent violations of the fishery laws, that the whole of the fines imposed should be paid to the Minister of Finance, in view of the wording of the above clause, the question has been raised as to whether Mounted Police Officers should be allowed, as in the past, to obtain a moiety of fines imposed following complaints laid by them.

Experience has shown that by allowing such officers to share in penalties imposed, vigilance on their part in preventing infractions of the law has been exercised, and it is the desire of the Department of the Naval Service that such practice should be continued.

The Minister, therefore, recommends that the paragraph quoted above, of the Order in Council of the 1st August, 1914, be rescinded, and the following substituted in lieu thereof :

"The Minister further recommends that in all instances where penalties are imposed, or articles are

confiscated, following a prosecution by a Fishery Officer or a Fishery Guardian employed by the Department of the Naval Service, the whole of the proceeds of such prosecution, and of the proceeds of the sale of such confiscated articles, shall be paid to the Minister of Finance, through the Department of the Naval Service, but when the prosecutor is not a fishery officer or fishery guardian of any Government, a moiety of the penalty levied, together with costs taxed to him in respect thereof, shall be paid to him, and the other moiety to the Minister of Finance, through the Department of the Naval Service."

The Committee concur in the foregoing, and submit the same for approval.

Tuesday, the 13th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd March, 1915, from the Minister of the Naval Service, submitting that, the technical officers of the Department have represented that by Order in Council, P.C. No 1979, of 1st August, 1914, certain rates of pay were established for officers of the Royal Naval Canadian Volunteer Reserve. These rates of pay did not provide for the usual allowances to naval officers ;

Since the outbreak of war, however, it has been found necessary to employ officers of the naval volunteers on duties which carry with them an allowance to officers of the Royal Canadian Navy,—

The Minister recommends, in order to prevent injustice, that allowances established by Order in Council for officers of the Royal Canadian Navy for certain duties should also be payable to officers of the Royal Naval Canadian Volunteer Reserve, when carrying out such duties.

The Committee submit the same for approval.

GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 31st March, 1915, from the Minister of the Naval Service, submitting that the Admiralty have instituted the new non-substantive ratings of rangetaker, first and second class. These ratings are to be open to all seamen ratings holding the ratings of ordinary seamen, but the pay as rangetaker is not to be received with that of any gunnery rating other than seaman gunner.

The Minister, concurring in the recommendations of the technical officers of the Department of the Naval Service, recommends that authority be granted for the institution in the Royal Canadian Navy of the above-mentioned ratings.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th March, 1915, from the Minister of the Interior, submitting that an application has been received from the Finger Lumber Company of The Pas, to lease certain marsh lands in Fractional Sections three and four, of Township fifty-three, Range four, west of the Second Meridian for the purpose of growing hay and vegetables—to be used in connection with the operation of their logging camp, as it is exceedingly difficult to get any supplies owing to the poor transportation facilities ;

The land applied for is, in its present condition, unsuitable for agriculture, but a portion thereof along the edges of the marsh may be reclaimed by drainage and made fit for the cultivation of vegetables and the growing of hay. To do this will require the construction of about two miles of ditch at an approximate cost of \$2,000. The applicants have agreed to undertake this work provided they are granted a lease ;

The Minister observes that the said land is unsurveyed and cannot be disposed of by sale, and that practically no settlement has yet reached that locality,—

The Minister, therefore, recommends that the said land, consisting of Sections three and four, according to a compass survey, lying between the Carrot River and Sepanok Channel in Township fifty-three, Range four, west of the Second Meridian, comprising an area of 1,189 acres, more or less, be withdrawn from disposal under authority of paragraph (e) of section 76 of The Dominion Lands Act, and that authority be given to lease the same to the said Finger Lumber Company at the rate of two cents per acre in accordance with the provisions of the form of lease attached hereto.

The Committee submit the same for approval.

These presents are made and issued subject to the following provisos, terms and conditions, viz :—

1. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, (whether formally demanded or not), or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything herein contained and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions, shall not thereby be prejudiced.

2. That no waiver on behalf of His Majesty, his successors or assigns, of any such breach shall take place or be binding upon him or them, unless the same be expressed in writing, under the authority of the Minister ; and any waiver so expressed shall extend only to the particular breach so waived, and shall not limit or effect his or their rights with respect to any other or future breach.

3. That the lessee will not, without the consent in writing of the Minister, make any transfer or assignment of these presents or of its interest or any part of its interest under these presents or any sub-lease of the whole or part of the term hereby granted of the said lands or any portion thereof.

4. That if any such transfer, assignment or sub-lease be so assented to all the provisos and conditions herein contained shall extend to and be binding upon the transferee, assignee and sub-lessee as well as the lessee hereunder, and any breach thereof by such transferee,

assignee or sub-lessee shall have the same effect as if such breach were made by the said lessee during its continuance as such lessee.

5. That the lessee will not, during the said term, cut or destroy, or allow to be cut or destroyed, any timber or timber trees without the consent in writing in that behalf of the Minister, and then only in accordance with such terms, conditions and regulations as may be made or established in that behalf.

6. That should the Minister of the Interior at any time or from time to time during the term hereby granted, think it to be in the public interest to cause any unsurveyed part or parts of the lands hereby demised to be surveyed, the surveyors appointed to make the surveys may, with their assistants, servants, horses and other things required in that behalf, enter upon the land and make the survey.

7. That as soon as a survey of a township has been made and confirmed, such lands therein as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of the said Act are set apart as an endowment for the purposes of education, shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto; but the lessee shall not become entitled to any reduction or abatements of the rent hereby reserved unless and until the said lands have been taken actual possession of by some person under proper authority in that behalf. And in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim or be entitled to any other compensation for or on account of such withdrawal.

8. That should any portions of the lands hereby demised be thought to contain gold, silver, copper, coal or other minerals, building stone or marble, the Minister may grant licenses under the regulations in that behalf authorized by the Governor in Council to any person or corporation to explore and search for the same, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper. And should any portion of the lands hereby demised contain gold, silver, copper, coal or other minerals, building stone, or marble, or water power capable of being used to drive machinery, the Minister may, from time to time, cause written notice to be given to the lessee and the same and such adjoining lands as he may think proper are withdrawn from the operation of these presents; and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of rent hereby reserved, equal to two cents for every acre so withdrawn, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

9. That should any portions of the lands hereby demised contain timber, the Minister may, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper, grant to any person or corporation under the provisions of The Dominion Lands Act, the right under lease or license to enter upon the lands and to cut and remove such timber.

10. That should any railway company become entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised for the roadbed of the railway, or its branches or for stations, station grounds, work-shops, dock grounds and water frontage on the navigable waters, buildings, yards and other appurtenances required for the convenient effectual construction and working of the railway and its branches, the land so granted shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto, but the lessee shall not become entitled to any reduction or abatement of the rent hereby reserved, unless and until the lands so granted have been taken actual possession of by some

person under proper authority in that behalf; and in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

11. And that if the said demised premises or any portion thereof shall be required for public purposes, possession of the same may at any time during the said term be resumed by His Majesty, his successors or assigns, upon six months' notice in writing by the Minister to the lessee, and in no such case shall the lessee have any claim to compensation for his improvements upon the demised premises or on account of damages in any way resulting from such resumption or from the determination of this demise.

12. The lessee may at any time during the six months mentioned in clause eleven hereof disannex, remove, repossess and convert to his own use any erections, fixtures or additions hereafter to be erected, fixed or made by it and at its own cost upon or to the demised premises doing as little injury as may be to the said premises by such removal and making good such injury as may unavoidably be done.

13. That the word "lessee" in these presents includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, and in the case of an incorporated company, their successors and assigns.

14. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demised" and "lessee" herein or by the use of any other word or words herein.

15. That any notice, demand, or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given and served by the Secretary or Assistant Secretary of the Department of the Interior, or by the Superintendent of the Irrigation Branch.

16. If the leasehold has been secured by misrepresentation as to any material facts, the lease may be summarily cancelled in the manner hereinbefore provided.

17. And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the due course of post would be delivered at the address to which it is sent.

18. Clerk of the Privy Council.

[413]
AT THE GOVERNMENT HOUSE AT OTTAWA.
Friday, the 26th day of February, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Minister of the Interior and the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister therefore recommends that the above mentioned Order in Council be rescinded and that the re-adjustment of the reserve be confirmed in accordance with the following description :—

Firstly, all those portions of the fifty-eighth and fifty-ninth Townships, in the sixth Range and all that portion of the fifty-ninth Township, in the seventh Range, west of the fourth Meridian, which may be more particularly described as follows: commencing at an iron post and mound marking the southwest corner of Fractional Section one, in the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 6th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, thence southerly following the western limit of the road allowance along the west boundary of the northern part of the fractional northeast quarter of Section thirty-six, in the said fifty-eighth Township, in the sixth Range, a distance of twenty-three chains and ninety-three links, more or less, to an iron post and mound as shown upon a map or plan of survey of the said fifty-eighth Township, approved and confirmed at Ottawa, on the sixth day of November, A.D. 1906, by

Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; thence westerly following the northerly limit of the road allowance, along the north boundary of Fractional Sections thirty-six, thirty-five, thirty-four, thirty-three, thirty-two and thirty-one, in the said fifty-eighth Township, a distance of four hundred and thirty-five chains and forty links, more or less, to the point of intersection with the eastern shore of Keheewin Lake; thence in a general north westerly direction following the said shore of said lake to the point of intersection with the east limit of the road allowance on the east boundary of Fractional Section twelve, in the fifty-ninth Township, in the seventh Range, the said point being approximately one chain in an easterly direction from a wooden post on the east boundary of said Fractional Section twelve, as shown upon a map or plan of survey of the said fifty-ninth Township, in the seventh Range, approved and confirmed at Ottawa, on the 4th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, thence northerly following the easterly limit of the road allowance along the east boundary of Fractional Sections twelve, thirteen, twenty-four and twenty-five, of the said fifty-ninth Township, a distance of two hundred and thirty-five chains and twenty-seven links more or less, to an iron post marked I. R., situate one chain east and seventy-three links south of the wooden post and mound marking the northeast corner of the fractional southeast quarter of Section twenty-five of the said township, as shown upon the said official plan of said township, thence easterly following the southern limit of the road allowance along the south boundary of the eastern part of the fractional northeast quarter of said Section twenty-five and along the south limit of the road allowance, along the south boundary of Fractional Sections thirty, twenty-nine, twenty-eight, twenty-seven, twenty-six and twenty-five, in the said fifty-ninth Township, in the sixth Range, to the point of intersection with the western shore of Muriel Lake, thence in a southeasterly direction following the southern shore of Muriel Lake, to the point of intersection with the western boundary of Fractional Section twenty-four of the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of the said township approved as aforesaid, thence southerly following the western boundary of Fractional Sections twenty-four, thirteen, twelve and one of the said township, a distance of three hundred and seven chains and eighty-nine links, more or less, to the place of commencement, containing by admeasurement twenty-eight square miles more or less; and *secondly*:

All those portions of Fractional Sections twenty-six, twenty-seven, twenty-nine and thirty of the said fifty-ninth Township, in the sixth Range, which are not covered by any of the waters of Sinking Lake, as shown on the said plan of said township, all of Fractional Section twenty-eight, all those portions of Sections thirty-one, thirty-two, thirty-three, thirty-four and thirty-five, which lie to the south of the south shore of Sinking Lake, as shown on said plan of said township, and all those portions of the south half of Sections five and six in the sixtieth Township, in the sixth Range, which lie to the south of the south shore of said Sinking Lake, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa, on the 31st day of March, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, all the above secondly described parcels containing by admeasurement together, four square miles, more or less, and all the lands *firstly* and *secondly* above described containing by admeasurement together, thirty-two square miles, more or less, and as shown outlined in red on the plan hereto attached.

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve

their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906.. . . .	Population	130
December, 1909.....	"	177
August, 1910.....	"	188
1913.....	"	196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is deemed advisable that when the lifting cradle and slipway under construction at Selkirk, Manitoba, in connection with the repair equipment maintained at that place for the Departmental dredging fleet operating on the Red River and Lake Manitoba, are not occupied by Government boats, vessel owners should be allowed to use the same for repairs at a fair rate per day ;

And, whereas, the repair slip is now completed, and the Minister of Public Works has submitted for approval the attached draft of rules and regulations for the management and working of said slipway when used by privately owned vessels, drawn up by the Collector of Revenue of the Department of Public Works, and approved by the Chief Engineer of the Department,—

Therefore, His Royal Highness the Governor General in Council is pleased to approve, and doth hereby approve, the accompanying Rules and Regulations for the management and working of the repair slip at Selkirk, Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

RULES AND REGULATIONS FOR THE MANAGEMENT AND WORKING OF THE SLIP AT SELKIRK, MAN.

1. No vessel will be allowed on the repair slip without having the date of her arrival at the slip and the time for which she will occupy it fixed and determined at the Superintendent's office, and duly noted and entered in books to be kept for that purpose, nor until after the owner or his representative shall have signed such note and entry.

2. No vessel will be admitted to the repair slip until she shall have been duly entered in accordance with rule and regulation No. 1, on the entry book in the Superintendent's office, nor until the sum of \$100 shall be paid to the Superintendent as an entrance fee. Should the dues for the use of the slip be less than \$100 the excess shall be refunded to the owner or agent of the vessel.

3. On failure to place a vessel on the slip on the day appointed and agreed upon for that purpose, such vessel shall be struck off the entry book, and the owner or agent shall on demand pay to the Superintendent the amount, if any, which may have been lost in respect of rates and dues by reason of such failure, and her entrance fee shall be forfeited, but if the Superintendent shall be satisfied that such failure arose by stress of weather or other circumstance, which shall, in his judgment, be a sufficient reason for the same, then on payment of the amount which may have been lost as aforesaid, the vessel may be reinstated in her original position on the entry list without payment of a fresh entrance fee.

4. The Superintendent may in his discretion allow any vessel in a damaged condition, or in such other condition as may in his judgment render her immediate admission into the slip actually necessary, to enter same in priority to all other vessels standing on the entry list and books. And when the Superintendent has occasion to act under this section, he shall report all the circumstances to the Department of Public Works without delay.

5. No person shall destroy, cut, or otherwise damage any article belonging to, or used in connection with the slip, and any person so doing must replace or make good, any article or appendage so cut or otherwise damaged, to the satisfaction of the Superintendent.

6. When two or more vessels are taken together on the slip, they will be charged in proportion to their respective gross tonnage, but the vessel which is first ready must wait until the other is, or the others are finished, and no charge will be made against the waiting vessel during the delay, provided no work is done thereon. The Government of Canada will not, however, be responsible in any way for any delay which may ensue.

7. For the use of the slip for wintering vessels or for repairing of vessels in the same during the winter, the charge shall be \$3. per day, but if two or more vessels belonging to the same owner are wintered together, the charge will be \$2. per day for each vessel; winter lay days begin on the 15th day of November, or when the ice takes in the Red River in the vicinity of the slip, and end on the 1st April, or when the ice permits of a vessel leaving the slip.

8. Any vessel wintering in the slip must leave it not less than two days after the river is cleared of ice in the vicinity of the slip, and all vessels, whether wintering only or wintering and repairing, will be required to pay full summer rates for each and every day the slip is occupied beyond the time above fixed.

9. Charges will be made at the discretion of the Superintendent for all shores or other material belonging to the slip, which may be broken or rendered useless.

10. Prior to removing the vessel from the slip, the latter must be properly cleaned up at the expense of those who have used it, and all parts or portions of damaged vessels or machinery, which may have been removed and not used again, must be taken off the premises, and all plant, tools and machinery which may have been brought and used in repairs, must, after the completion of such repairs, be taken away.

11. It is distinctly to be understood that the Crown will under no circumstances be held liable or responsible for any accident of any description whatever which may occur to a vessel when on the slip, or when entering or leaving the same.

12. No vessel will be allowed upon the slip having gunpowder or any explosive material on board.

13. For the use of the slip, charges will be made according to the following tariff :—

(a) Vessels and steamers will pay 20 cts. per ton on the registered gross tonnage for hauling and first 24 hours, but no vessel will be taken out for less than \$25.

(b) Lay days on the slip to commence 24 hours from the time when the vessel is hauled out, and to be charged at the rate of 7 cents per ton per day, and a proportionate rate for half days. In no case, the charge for lay days to be less than \$10.

(c) Cargoes will be charged at the same rate as tonnage. Coal will be classed as cargo. Each fractional part of lay day not exceeding five hours would be charged as one half day. Over that time one full day is to be charged.

(d) No charge will be made for Sundays and legal holidays unless work is carried on.

(e) Special arrangements may be made for the transfer of vessels that are to be laid up for long periods.

14. The charges for the use of the slip by any vessel shall be due and payable to the Superintendent immediately upon presentation of an account therefor, to the master, owner or owners, or agent, or any person or persons who shall have signed the entry book in the Superintendent's office in respect to such vessel, in accordance with rules and regulations No. 1, and such rates shall be paid to the Superintendent before the vessel leaves the slip, and if such rates be so paid, the entrance fee deposited in respect to such vessel shall be returned. But if such rates be not paid in the manner and within the period above mentioned, the entrance fee paid in respect to such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

15. Every person committing an offence against any of the foregoing rules and regulations shall be subjected to a penalty of \$50 for each and every offence, to be recovered by civil action.

dated April 28, 1915.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1915, from the Minister of the Interior, stating that in November, 1905, the Vice-President and General Manager of The Grand Trunk Pacific Railway Company pointed out that the patents to the railway company of lands to which they were entitled under clause 46 of the agreement embodied in The National Transcontinental Railway Act reserved to the Crown the mines and minerals ; that it was important to the company that they should not be embarrassed when constructing their line of railway by others being permitted to acquire the mining rights underlying the surface of lands which they might acquire ; and he asked that the railway company be considered the first applicants for mining rights under all such lands, and that a note

to that effect be made in the records of the Department of the Interior ;

That by an Order in Council, dated the 19th of April, 1906, provision was accordingly made that, as soon as a definite description was furnished of the lands which the company desire to acquire in this connection, the same be for the present withdrawn from mining entry and sale for coal and other mining purposes, and in case application were made by any person or company for permission to acquire the mining rights under any such lands the railway company be considered the first applicants therefor, and such mining rights be granted to them under the provisions of the regulations in that behalf,—

As it would appear that the request made on behalf of the railway company for the reservation of the mining rights under their lands was for the period of the construction of the railway only, and as the construction of this line of railway has now been completed and the lands which the company were permitted to acquire have all been selected, the Minister recommends that the Order in Council of the 19th April, 1906, above referred to—making the reservation—be now rescinded.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

GEO. F. O'HALLORAN,

FISHING IN TIDAL WATERS, QUEBEC.

FURTHER NOTICE.—To fishermen operating in the tidal waters of Quebec, west of Point des Monts, and off the south shore of the River and Gulf St. Lawrence, and to all others interested.

IN the *Canada Gazette* of Saturday, 30th January, 1915, at page 2370, a notice was issued to the above persons advising them that the administration of the fisheries in these waters would be undertaken this year by the Minister of the Naval Service, and that consequently no one would be permitted to fish in such waters except under a license from him, and that it would be unnecessary to procure licenses to fish in such waters from any other authority.

It transpires, however, that there are differences of opinion between the Government of Canada and the Government of the Province of Quebec as to the legality of this announcement; and, therefore, in order to avoid embarrassment to the fishermen, an arrangement has now been reached between the two governments to have a test case submitted to the courts as speedily as possible, to settle finally the question of jurisdiction. Pending a decision in such case the Federal Government will not undertake the administration of the fisheries in the aforementioned waters. Hence, for the present, the Department of the Naval Service at Ottawa will not require licenses to fish in these waters. Such licenses may be obtained as heretofore from the Department of Colonization, Mines and Fisheries at Quebec.

G. J. DESBARATS,
Deputy Minister of the Naval Service.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

AU comité du Conseil privé a été soumis un rapport du Ministre des Travaux publics, daté le 23 mars 1915, représentant que la compagnie d'estacades dite “The Rouge Boom Company” de Montréal, a présenté, conformément aux dispositions du chapitre 68, 22 Victoria, un rapport de ses opérations financières pour la saison de 1914, et a demandé que soit approuvé le tarif de péages qu'elle se propose de prélever pour l'usage de son outillage au cours de la saison de 1915 ;

Le percepteur du revenu du département des Travaux publics et l'ingénieur en chef sont d'avis que ce tarif devrait être approuvé,—

Par conséquent, le Ministre demande l'autorisation d'approuver le tarif suivant de péages que la compagnie d'estacades dite “The Rouge Boom Company” se propose de prélever pour l'usage de son outillage au cours de la saison de 1915, savoir :

	Péages. Tricage. Total.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 mars 1915, représentant que M. Jean Lizotte, de Fort-Vermilion, dans la province d'Alberta, a demandé la concession gratuite du lot n° 22 et de la moitié sud du lot n° 21 dans l'établissement Boyer, dans la dite province d'Alberta, le tout contenant 170.5 acres, basant sa demande sur le fait qu'il occupait ces terrains à la date de l'extinction du titre des sauvages,—

Par conséquent, comme il a été prouvé que le requérant occupait les terrains en question à la date de la conclusion du traité indien n° 8, à l'été de 1899, le Ministre recommande qu'en vertu des dispositions de l'article 76 de la *Loi des terres fédérales* la concession à M. Lizotte des dits terrains soit autorisée dès qu'il aura payé pour toute étendue de terrain au delà de 160 acres au prix de \$3 l'acre.

Vendredi, le 26e jour de février 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur et du Surintendant général des Affaires des sauvages, daté le 15 février 1915, représentant que par un arrêté en conseil du 17 mai 1889 une étendue de terrain située dans les townships 58, 59 et 60, rangs 6 et 7, à l'ouest du 4e méridien, ainsi qu'indiqué par un tracé vert sur le plan ci-annexé, a été mise en réserve pour la bande indienne de Keheewin, et que les sauvages ont demandé une nouvelle délimitation par laquelle certains terrains dans les townships 58 et 59, rang 6, à l'ouest du 4e méridien, contigus à la limite est de la réserve ainsi que constituée par l'arrêté en conseil ci-dessus mentionné, leur seraient accordés en échange de certaines parties des divisions nord et sud de la dite réserve;

Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mile de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

Novembre 1906.....	population 130
Décembre 1909.....	“ 177
Août 1910.....	“ 188
1913.....	“ 196

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

A U comité du Conseil privé a été soumis un rapport du Ministre du Service Naval, daté le 23 mars 1915, soumettant que les fonctionnaires techniques du département ont représenté que par un arrêté en conseil, C. P. n° 1979, du 1er août 1914, un tarif de solde a été établi pour les officiers de la Réserve volontaire de la Marine Royale Canadienne. Ce tarif ne pourvoit pas à l'allocation ordinaire pour les officiers de la marine ;

Toutefois, il a été jugé nécessaire, depuis le commencement des hostilités, d'employer des officiers de la Réserve volontaire de la marine à des devoirs pour lesquels les officiers de la Marine Royale Canadienne reçoivent une allocation, —

Le Ministre recommande qu'afin d'éviter toute injustice les allocations accordées par arrêté en conseil aux officiers de la Marine Royale Canadienne pour certains services soient aussi payées aux officiers de la Réserve volontaire de la Marine Royale Canadienne employés aux mêmes devoirs.

Le comité soumet cette recommandation pour approbation.

(b) L'emploi des rêts pour la pêche du saumon est restreint aux eaux de marées.

A U comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 avril 1915, représentant qu'en novembre 1905 le vice-président et le gérant général de la Compagnie du chemin de fer Grand-Tronc-Pacifique ont représenté que les patentes accordées à la compagnie pour les terres auxquelles elle avait droit en vertu de l'article 46 de la Convention incorporée à la *Loi du Chemin de fer National Transcontinental* réservaient à la Couronne les mines et les minéraux. Il est important que la Compagnie ne soit pas embarrassée dans la construction de sa voie ferrée par le fait qu'il est permis à d'autres d'acquérir les droits miniers sous la surface des terrains qu'elle a acquis. Il a été demandé que la compagnie soit considérée premiers requérants pour les droits miniers sur ces terrains, et qu'une note à cet effet soit faite dans les archives du Département de l'Intérieur ;

Par un arrêté en conseil, daté le 19 avril 1906, il a par conséquent été décrété que dès que serait fournie la description des terrains que la compagnie désire acquérir pour ces fins, les dits terrains soient soustraits de l'inscription minière et de la vente pour l'extraction de la houille et autres fins minières, et qu'au cas où une personne ou compagnie quelconque demanderait la permission d'acquérir les droits miniers sous ces terrains la compagnie de chemin de fer soit considérée premiers requérants, et que ces droits miniers lui soient accordés sous l'empire des dispositions des règlements à cet effet,—

Il appert que la demande de la compagnie de chemin de fer de lui réserver les droits miniers sous ces terrains n'était que pour la période de construction de la voie ferrée, et comme la construction de ce chemin de fer est maintenant parachevée et que les terrains que la compagnie pouvait acquérir ont tous été choisis, le Ministre recommande que l'arrêté en conseil du 19 avril 1906 ci-dessus mentionné—faisant cette réserve—soit maintenant rescindé.

A U Comité du Conseil privé a été soumis un rapport du Ministre du Service Naval, daté le 1er avril 1915, représentant que dans l'arrêté en conseil du 1er août 1914, prescrivant de quelle manière seront distribués les produits des amendes et les produits de la vente des articles confisqués sous l'empire de la *Loi des pêcheries*, le dernier paragraphe se lit comme suit :

"Le Ministre recommande de plus que dans tous les cas où des amendes sont imposées ou des articles sont confisqués à l'instance d'un fonctionnaire des pêcheries ou d'un garde-pêche à l'emploi du Service Naval, tous les produits de la poursuite et de la vente des articles confisqués soient remis au Ministre des Finances par l'intermédiaire du Département du Service Naval ; mais que lorsque le poursuivant n'est pas un fonctionnaire d'un gouvernement, la moitié de l'amende, ainsi que les frais qui lui sont attribués dans la poursuite, lui soient payés, et que l'autre moitié soit remise au Ministre des Finances par l'intermédiaire du Département du Service Naval."

Bien que d'après le texte complet de l'arrêté en conseil il soit évident que l'intention était que ce ne serait que dans le cas des fonctionnaires des pêcheries qui sont payés pour empêcher les contraventions aux lois des pêcheries que la somme totale des amendes imposées serait payée au Ministre des Finances, l'interprétation de l'article ci-dessus a fait surgir la question de savoir si la gendarmerie à cheval pourrait, comme par le passé, obtenir la moitié des amendes imposées à la suite des plaintes portées par ses officiers.

L'expérience a démontré qu'en accordant à ces officiers une part des amendes imposées on s'assurait de leur part d'une plus grande vigilance pour empêcher les contraventions à la loi, et c'est le désir du Département du Service Naval que cette pratique soit continuée.

Par conséquent, le Ministre recommande que le paragraphe ci-dessus cité de l'arrêté en conseil du 1er août 1914 soit rescindé et que le paragraphe suivant lui soit substitué :

"Le Ministre recommande de plus que dans tous les cas où des amendes sont imposées ou des articles sont confisqués à l'instance d'un fonctionnaire des pêcheries ou d'un garde-pêche à l'emploi du Département du Service Naval, tous les produits de la poursuite et de la vente des articles confisqués soit remis au Ministre des Finances par l'intermédiaire du Département du Service Naval ; mais que lorsque le poursuivant n'est pas un fonctionnaire des pêcheries ou un garde-pêche à l'emploi d'un gouvernement, la moitié de l'amende ainsi que les frais qui lui sont attribués dans la poursuite lui soient payés et que l'autre moitié soit remise au Ministre des Finances par l'intermédiaire du Département du Service Naval."

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension.....\$ 100 00

(b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième 100 00

(c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

(f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00

(g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal* :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

At the Court at Windsor Castle, the 13th day of April, 1915.

PRESENT:

The KING'S Most Excellent Majesty in Council.

WHEREAS by the Aliens Restriction (Consolidation) Order, 1914, (hereinafter referred to as the principal Order), His Majesty has been pleased to impose restrictions upon aliens and to make various regulations for carrying these restrictions into effect;

And whereas it is expedient to amend the principal Order in manner hereinafter appearing,—

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered as follows:—

ORDERS IN COUNCIL.

[413]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Minister of the Interior and the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a

tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister therefore recommends that the above mentioned Order in Council be rescinded and that the re-adjustment of the reserve be confirmed in accordance with the following description:—

Firstly, all those portions of the fifty-eighth and fifty-ninth Townships, in the sixth Range and all that portion of the fifty-ninth Township, in the seventh Range, west of the fourth Meridian, which may be more particularly described as follows: commencing at an iron post and mound marking the southwest corner of Fractional Section one, in the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 6th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, thence southerly following the western limit of the road allowance along the west boundary of the northern part of the fractional northeast quarter of Section thirty-six, in the said fifty-eighth Township, in the sixth Range, a distance of twenty-three chains and ninety-three links, more or less, to an iron post and mound as shown upon a map or plan of survey of the said fifty-eighth Township, approved and confirmed at Ottawa, on the sixth day of November, A.D. 1906, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; thence westerly following the northerly limit of the road allowance, along the north boundary of Fractional Sections thirty-six, thirty-five, thirty-four, thirty-three, thirty-two and thirty-one, in the said fifty-eighth Township, a distance of four hundred and thirty-five chains and forty links, more or less, to the point of intersection with the eastern shore of Keheewin Lake; thence in a general north westerly direction following the said shore of said lake to the point of intersection with the east limit of the road allowance on the east boundary of Fractional Section twelve, in the fifty-ninth Township, in the seventh Range, the said point being approximately one chain in an easterly direction from a wooden post on the east boundary of said Fractional Section twelve, as shown upon a map or plan of survey of the said fifty-ninth Township, in the seventh Range, approved and confirmed at Ottawa, on the 4th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, thence northerly following the easterly limit of the road allowance along the east boundary of Fractional Sections twelve, thirteen, twenty-four and twenty-five, of the said fifty-ninth Township, a distance of two hundred and thirty-five chains and twenty-seven links more or less, to an iron post marked I. R., situate one chain east and seventy-three links south of the wooden post and mound marking the northeast corner of the fractional southeast quarter of Section twenty-five of the said township, as shown upon the said official plan of said township, thence easterly following the southern limit of the road allowance along the south boundary of the eastern part of the fractional northeast quarter of said Section twenty-five and along the south limit of the road allowance, along the south boundary of Fractional Sections thirty, twenty-nine, twenty-eight, twenty-seven, twenty-six and twenty-five, in the said fifty-ninth Township, in the sixth Range, to the point of intersection with the western shore of Muriel Lake, thence in a southeasterly direction following the southern

shore of Muriel Lake, to the point of intersection with the western boundary of Fractional Section twenty-four of the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of the said township approved as aforesaid, thence southerly following the western boundary of Fractional Sections twenty-four, thirteen, twelve and one of the said township, a distance of three hundred and seven chains and eighty-nine links, more or less, to the place of commencement, containing by admeasurement twenty-eight square miles more or less; and *secondly*:

All those portions of Fractional Sections twenty-six, twenty-seven, twenty-nine and thirty of the said fifty-ninth Township, in the sixth Range, which are not covered by any of the waters of Sinking Lake, as shown on the said plan of said township, all of Fractional Section twenty-eight, all those portions of Sections thirty-one, thirty-two, thirty-three, thirty-four and thirty-five, which lie to the south of the south shore of Sinking Lake, as shown on said plan of said township, and all those portions of the south half of Sections five and six in the sixtieth Township, in the sixth Range, which lie to the south of the south shore of said Sinking Lake, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa, on the 31st day of March, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, all the above secondly described parcels containing by admeasurement together, four square miles, more or less, and all the lands *firstly* and *secondly* above described containing by admeasurement together, thirty-two square miles, more or less, and as shown outlined in red on the plan hereto attached.

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906	Population 130
December, 1909	" 177
August, 1910	" 188
1913	" 196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 6th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 11th March, 1915, from the Minister of the Interior, submitting that an application has been received from the Finger Lumber Company of The Pas, to lease certain marsh lands in Fractional Sections three and four, of Township fifty-three, Range four, west of the Second Meridian for the purpose of growing hay and vegetables—to be used in connection with the operation of their logging camp, as it is exceedingly difficult to get any supplies owing to the poor transportation facilities ;

The land applied for is, in its present condition, unsuitable for agriculture, but a portion thereof along the edges of the marsh may be reclaimed by drainage and made fit for the cultivation of vegetables and the growing of hay. To do this will require the construction of about two miles of ditch at an approximate cost of \$2,000. The applicants have agreed to undertake this work provided they are granted a lease ;

The Minister observes that the said land is unsurveyed and cannot be disposed of by sale, and that practically no settlement has yet reached that locality,—

The Minister, therefore, recommends that the said land, consisting of Sections three and four, according to a compass survey, lying between the Carrot River and Sepanok Channel in Township fifty-three, Range four, west of the Second Meridian, comprising an area of 1,189 acres, more or less, be withdrawn from disposal under authority of paragraph (e) of section 76 of The Dominion Lands Act, and that authority be given to lease the same to the said Finger Lumber Company at the rate of two cents per acre in accordance with the provisions of the form of lease attached hereto.

The Committee submit the same for approval.

These presents are made and issued subject to the following provisos, terms and conditions, viz :—

1. That if the rent hereby reserved or any part thereof shall be unpaid for thirty days after becoming payable, (whether formally demanded or not), or if any covenant, proviso, stipulation or condition on the part of the lessee herein contained shall not be performed or observed, then and in any of the said cases it shall be lawful for the Minister by notice in writing under his hand to cancel these presents and terminate the estate or term hereby demised, and thereupon these presents and everything herein contained and the said estate or term shall, from the time of the giving of such notice, absolutely cease, determine and be void without re-entry or any other act or any suit or legal proceedings to be brought or taken provided that His Majesty shall nevertheless be entitled to recover from the lessee the rent then accrued or accruing, and moreover that any right of action of His Majesty against the lessee in respect of any antecedent breach of any of the said covenants, provisos, stipulations or conditions, shall not thereby be prejudiced.

2. That no waiver on behalf of His Majesty, his successors or assigns, of any such breach shall take place or be binding upon him or them, unless the same be expressed in writing, under the authority of the Minister ; and any waiver so expressed shall extend only to the particular breach so waived, and shall not limit or effect his or their rights with respect to any other or future breach.

3. That the lessee will not, without the consent in writing of the Minister, make any transfer or assignment of these presents or of its interest or any part of its interest under these presents or any sub-lease of the whole or part of the term hereby granted of the said lands or any portion thereof.

4. That if any such transfer, assignment or sub-lease be so assented to all the provisos and conditions herein contained shall extend to and be binding upon the transferee, assignee and sub-lessee as well as the lessee hereunder, and any breach thereof by such transferee

assignee or sub-lessee shall have the same effect as if such breach were made by the said lessee during its continuance as such lessee.

5. That the lessee will not, during the said term, cut or destroy, or allow to be cut or destroyed, any timber or timber trees without the consent in writing in that behalf of the Minister, and then only in accordance with such terms, conditions and regulations as may be made or established in that behalf.

6. That should the Minister of the Interior at any time or from time to time during the term hereby granted, think it to be in the public interest to cause any unsurveyed part or parts of the lands hereby demised to be surveyed, the surveyors appointed to make the surveys may, with their assistants, servants, horses and other things required in that behalf, enter upon the land and make the survey.

7. That as soon as a survey of a township has been made and confirmed, such lands therein as under the provisions of the said Dominion Lands Act are known and designated as the lands of the Hudson's Bay Company, and also such lands as under the provisions of the said Act are set apart as an endowment for the purposes of education, shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto; but the lessee shall not become entitled to any reduction or abatements of the rent hereby reserved unless and until the said lands have been taken actual possession of by some person under proper authority in that behalf. And in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim or be entitled to any other compensation for or on account of such withdrawal.

8. That should any portions of the lands hereby demised be thought to contain gold, silver, copper, coal or other minerals, building stone or marble, the Minister may grant licenses under the regulations in that behalf authorized by the Governor in Council to any person or corporation to explore and search for the same, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper. And should any portion of the lands hereby demised contain gold, silver, copper, coal or other minerals, building stone, or marble, or water power capable of being used to drive machinery, the Minister may, from time to time, cause written notice to be given to the lessee and the same and such adjoining lands as he may think proper are withdrawn from the operation of these presents; and thereupon such lands shall become withdrawn, and the term hereby created shall thereupon cease and determine with respect thereto, and thereupon the lessee shall become entitled to a reduction of rent hereby reserved, equal to two cents for every acre so withdrawn, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

9. That should any portions of the lands hereby demised contain timber, the Minister may, subject to such conditions for the protection of the interests of the lessee as the Minister may think proper, grant to any person or corporation under the provisions of The Dominion Lands Act, the right under lease or license to enter upon the lands and to cut and remove such timber.

10. That should any railway company become entitled to a grant from His Majesty or his successors of any portion of the lands hereby demised for the roadbed of the railway, or its branches or for stations, station grounds, work-shops, dock grounds and water frontage on the navigable waters, buildings, yards and other appurtenances required for the convenient effectual construction and working of the railway and its branches, the land so granted shall thereupon become withdrawn from the operation of these presents, and the term hereby created shall thereupon cease and determine with respect thereto, but the lessee shall not become entitled to any reduction or abatement of the rent hereby reserved, unless and until the lands so granted have been taken actual possession of by some

person under proper authority in that behalf; and in case of such actual possession the lessee shall become entitled to a reduction of the rent hereby reserved, equal to two cents for every acre so taken possession of, but shall have no further or other claim, or be entitled to any other compensation for or on account of such withdrawal.

11. And that if the said demised premises or any portion thereof shall be required for public purposes, possession of the same may at any time during the said term be resumed by His Majesty, his successors or assigns, upon six months' notice in writing by the Minister to the lessee, and in no such case shall the lessee have any claim to compensation for his improvements upon the demised premises or on account of damages in any way resulting from such resumption or from the determination of this demise.

12. The lessee may at any time during the six months mentioned in clause eleven hereof disannex, remove, repossess and convert to his own use any erections, fixtures or additions hereafter to be erected, fixed or made by it and at its own cost upon or to the demised premises doing as little injury as may be to the said premises by such removal and making good such injury as may unavoidably be done.

13. That the word "lessee" in these presents includes the lessee or lessees, as the case may be, and his or their executors, administrators and assigns, and in the case of an incorporated company, their successors and assigns.

14. That no implied covenant or liability of any kind on His Majesty's part is created by the use of the words "demised" and "lessee" herein or by the use of any other word or words herein.

15. That any notice, demand, or other communication which His Majesty or the Minister may require or desire to give or serve upon the lessee may be validly given and served by the Secretary or Assistant Secretary of the Department of the Interior, or by the Superintendent of the Irrigation Branch.

16. If the leasehold has been secured by misrepresentation as to any material facts, the lease may be summarily cancelled in the manner hereinbefore provided.

17. And that any notice affecting the tenancy hereunder which the lessor may desire to serve upon the lessee shall be sufficiently served on the lessee if left addressed to him on the demised premises or posted to him addressed to his last known address, or if left at the said address. A notice sent by post shall be deemed to be given at the time when in the due course of post would be delivered at the address to which it is sent.

18. This lease is subject to the right of the Province to take for road purposes, without compensation to the lessee such land as may be required, not exceeding two and one-half per centum of the total area, provided the value of any improvements found on the land so required for road purposes shall be paid for by the Province, the said value to be fixed by the Minister of the Interior.

19. The lessee shall file with the Minister within ninety days from the date of the execution hereof, plans of the proposed works to be constructed for the reclamation of the lands described in these presents. When such plans have been approved by the Minister the works shall be constructed within a period of time to be prescribed by the Minister and subject to his approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS it is deemed advisable that when the lifting cradle and slipway under construction at Selkirk, Manitoba, in connection with the repair equipment maintained at that place for the Departmental dredging fleet operating on the Red River and Lake Manitoba, are not occupied by Government boats, vessel owners should be allowed to use the same for repairs at a fair rate per day ;

And, whereas, the repair slip is now completed, and the Minister of Public Works has submitted for approval the attached draft of rules and regulations for the management and working of said slipway when used by privately owned vessels, drawn up by the Collector of Revenue of the Department of Public Works, and approved by the Chief Engineer of the Department,—

Therefore, His Royal Highness the Governor General in Council is pleased to approve, and doth hereby approve, the accompanying Rules and Regulations for the management and working of the repair slip at Selkirk, Manitoba.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

RULES AND REGULATIONS FOR THE MANAGEMENT AND WORKING OF THE SLIP AT SELKIRK, MAN.

1. No vessel will be allowed on the repair slip without having the date of her arrival at the slip and the time for which she will occupy it fixed and determined at the Superintendent's office, and duly noted and entered in books to be kept for that purpose, nor until after the owner or his representative shall have signed such note and entry.

2. No vessel will be admitted to the repair slip until she shall have been duly entered in accordance with rule and regulation No. 1, on the entry book in the Superintendent's office, nor until the sum of \$100 shall be paid to the Superintendent as an entrance fee. Should the dues for the use of the slip be less than \$100 the excess shall be refunded to the owner or agent of the vessel.

3. On failure to place a vessel on the slip on the day appointed and agreed upon for that purpose, such vessel shall be struck off the entry book, and the owner or agent shall on demand pay to the Superintendent the amount, if any, which may have been lost in respect of rates and dues by reason of such failure, and her entrance fee shall be forfeited, but if the Superintendent shall be satisfied that such failure arose by stress of weather or other circumstance, which shall, in his judgment, be a sufficient reason for the same, then on payment of the amount which may have been lost as aforesaid, the vessel may be reinstated in her original position on the entry list without payment of a fresh entrance fee.

4. The Superintendent may in his discretion allow any vessel in a damaged condition, or in such other condition as may in his judgment render her immediate admission into the slip actually necessary, to enter same in priority to all other vessels standing on the entry list and books. And when the Superintendent has occasion to act under this section, he shall report all the circumstances to the Department of Public Works without delay.

5. No person shall destroy, cut, or otherwise damage any article belonging to, or used in connection with the slip, and any person so doing must replace or make good, any article or appendage so cut or otherwise damaged, to the satisfaction of the Superintendent.

6. When two or more vessels are taken together on the slip, they will be charged in proportion to their respective gross tonnage, but the vessel which is first ready must wait until the other is, or the others are finished, and no charge will be made against the waiting vessel during the delay, provided no work is done thereon. The Government of Canada will not, however, be responsible in any way for any delay which may ensue.

7. For the use of the slip for wintering vessels or for repairing of vessels in the same during the winter, the charge shall be \$3. per day, but if two or more vessels belonging to the same owner are wintered together, the charge will be \$2. per day for each vessel; winter lay days begin on the 15th day of November, or when the ice takes in the Red River in the vicinity of the slip, and end on the 1st April, or when the ice permits of a vessel leaving the slip.

8. Any vessel wintering in the slip must leave it not less than two days after the river is cleared of ice in the vicinity of the slip, and all vessels, whether wintering only or wintering and repairing, will be required to pay full summer rates for each and every day the slip is occupied beyond the time above fixed.

9. Charges will be made at the discretion of the Superintendent for all shores or other material belonging to the slip, which may be broken or rendered useless.

10. Prior to removing the vessel from the slip, the latter must be properly cleaned up at the expense of those who have used it, and all parts or portions of damaged vessels or machinery, which may have been removed and not used again, must be taken off the premises, and all plant, tools and machinery which may have been brought and used in repairs, must, after the completion of such repairs, be taken away.

11. It is distinctly to be understood that the Crown will under no circumstances be held liable or responsible for any accident of any description whatever which may occur to a vessel when on the slip, or when entering or leaving the same.

12. No vessel will be allowed upon the slip having gunpowder or any explosive material on board.

13. For the use of the slip, charges will be made according to the following tariff :—

(a) Vessels and steamers will pay 20 cts. per ton on the registered gross tonnage for hauling and first 24 hours, but no vessel will be taken out for less than \$25.

(b) Lay days on the slip to commence 24 hours from the time when the vessel is hauled out, and to be charged at the rate of 7 cents per ton per day, and a proportionate rate for half days. In no case, the charge for lay days to be less than \$10.

(c) Cargoes will be charged at the same rate as tonnage. Coal will be classed as cargo. Each fractional part of lay day not exceeding five hours would be charged as one half day. Over that time one full day is to be charged.

(d) No charge will be made for Sundays and legal holidays unless work is carried on.

(e) Special arrangements may be made for the transfer of vessels that are to be laid up for long periods.

14. The charges for the use of the slip by any vessel shall be due and payable to the Superintendent immediately upon presentation of an account therefor, to the master, owner or owners, or agent, or any person or persons who shall have signed the entry book in the Superintendent's office in respect to such vessel, in accordance with rules and regulations No. 1, and such rates shall be paid to the Superintendent before the vessel leaves the slip, and if such rates be so paid, the entrance fee deposited in respect to such vessel shall be returned. But if such rates be not paid in the manner and within the period above mentioned, the entrance fee paid in respect to such vessel shall be forfeited to the Crown, and action will be taken by the Crown for the recovery of the amount of such account.

15. Every person committing an offence against any of the foregoing rules and regulations shall be subjected to a penalty of \$50 for each and every offence, to be recovered by civil action.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 17th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th April, 1915, from the Minister of the Interior, stating that in November, 1905, the Vice-President and General Manager of The Grand Trunk Pacific Railway Company pointed out that the patents to the railway company of lands to which they were entitled under clause 46 of the agreement embodied in The National Transcontinental Railway Act reserved to the Crown the mines and minerals ; that it was important to the company that they should not be embarrassed when constructing their line of railway by others being permitted to acquire the mining rights underlying the surface of lands which they might acquire ; and he asked that the railway company be considered the first applicants for mining rights under all such lands, and that a note

to that effect be made in the records of the Department of the Interior ;

That by an Order in Council, dated the 19th of April, 1906, provision was accordingly made that, as soon as a definite description was furnished of the lands which the company desire to acquire in this connection, the same be for the present withdrawn from mining entry and sale for coal and other mining purposes, and in case application were made by any person or company for permission to acquire the mining rights under any such lands the railway company be considered the first applicants therefor, and such mining rights be granted to them under the provisions of the regulations in that behalf,—

As it would appear that the request made on behalf of the railway company for the reservation of the mining rights under their lands was for the period of the construction of the railway only, and as the construction of this line of railway has now been completed and the lands which the company were permitted to acquire have all been selected, the Minister recommends that the Order in Council of the 19th April, 1906, above referred to—making the reservation—be now rescinded.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

RODOLPHE BOUDREAU,

[834]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th April, 1915, from the Minister of the Interior, stating that application has been made by the Town of Indian Head for permission to acquire the right of way for a pipe line through the northeast quarter of Section 29, Township 17, Range 13, and the northwest quarter of Section 11, Township 18, Range 13, both west of the 2nd Meridian, for the purpose of supplying the Town with water ;

That with respect to the northeast quarter of Section 29 referred to, the Minister has been advised by the Department of Justice that the Governor in Council has power under The Irrigation Act to authorize the disposal by private sale of any portion of a school section that may be required for domestic, irrigation, industrial or other purposes ;

That with respect, however, to the northwest quarter of Section 11 referred to, it is not considered advisable to sell the land required for the right of way to the Town, as this quarter section has been reserved during the pleasure of the Minister for nursery purposes in connection with the Forestry Branch of the Department of the Interior, and it is represented to the Minister that, if the land were sold and an absolute title given to the Town, the Department of the Interior would have no control over the land comprised in the right of way and fences might be erected along such right of way, thus preventing access from one part of the nursery to the other ;

That under these circumstances the Minister considers that the best course would be to grant a license of occupation to the Town of Indian Head of the land required for the right of way of the pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the Second Meridian, on the express condition, however, that the officers of the Department of the Interior shall at all times have free access across the said right of way and shall also have the right to construct and maintain such boundary fences across the said right of way as may be required in connection with the operation of the Forestry Nursery Station which is situated on this quarter section,—

The Minister, therefore, recommends that he be authorized to issue a license of occupation to the Town of Indian Head, on the terms and conditions before mentioned, of the land required for the right of way for a pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the 2nd Meridian, as shown on the tracing hereto attached, and that he be also authorized to sell to the Town of Indian Head, at the rate of \$7.00 per acre, the land required for the right of way of the said pipe line across the northeast quarter of Section 29, Township 17, Range 13, west of the 2nd Meridian, comprising 1.87 acres more or less, as shown on the tracing hereto attached, this land having been valued by Mr. Evans, Inspector of School Lands at \$7.00 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS, the Dominion Parks Regulations prohibit the possession and carrying of unsealed weapons within the Dominion Parks except by a duly authorized game guardian ;

And, whereas, the Superintendent of the Rocky Mountains Park sets forth that certain trading companies within said park have been offering for sale

unsealed rifles, and have objected to having same sealed by the park wardens ;

And, whereas, the said Superintendent further sets forth that the prohibition of the sale of firearms, within the said park, would facilitate the enforcement of the regulations with respect to firearms,—

Therefore, His Royal Highness in Council is pleased to order that the said regulations shall be, and the same are hereby amended, by adding thereto the following clause :—

71a. No person shall, within any Dominion Park, traffic in, or engage in the business of buying and selling rifles, shot-guns, revolvers or any other firearms.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian was included in lands reserved for community Doukhobors by Order in Council of 7th December, 1907, and the Inspector of Doukhobor Reserves has reported that it is no longer required for the purpose for which it was set apart ;

The Minister further submits that application has been made by the legal representatives of one Nicoli Khominoff, a Doukhobor, for this quarter section, in lieu of the homestead of the said Nicoli Khominoff, whose entry was cancelled pursuant to cancellation proceedings commenced after the death of the homesteader but which did not come to the attention of the legal representatives prior to cancellation and in the absence of defence the entry was cancelled and the land granted under entry to the applicant for cancellation in accordance with the regulations ; after full investigation into the claim of the legal representatives it is considered the entry granted to the applicant for cancellation is legal and should stand and that the claim of the legal representatives should be satisfied by granting them another quarter section, counting in connection therewith the duties performed on the original homestead ;

The Minister states that, in his opinion, the said claim is entitled to favourable consideration and the legal representatives have agreed to accept the said southwest quarter of Section 1 accordingly, and to withdraw all claim to the original homestead,—

The Minister, therefore, recommends that the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian be withdrawn from the Doukhobor Reserve established by Order in Council of 7th December, 1907, and be granted to the legal representatives of Nicoli Khominoff under authority of subsection (k) of section 76 of The Dominion Lands Act.

The Committee submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1915, from the Minister of Militia and Defence, representing that at present there is not any provision for pensioning officers or soldiers of the Canadian Over-Seas Expeditionary Forces or their families, and that it is desirable to have such provision made forthwith,—

The Minister, therefore, recommends that the provisions of Articles 591 to 598 of the Canadian Militia

Pay and Allowances Regulations, as amended by Order in Council (P.C. No. 289) of 29th April, 1915, be made applicable to the officers and soldiers of the Canadian Over-Seas Expeditionary Forces and to their widows, children, orphans and widowed mothers, to as full an extent as if they, the said officers and soldiers, were officers, warrant officers, non-commissioned officers and men, respectively, of the Militia, and had incurred death or disability on service as such militia officers, warrant officers, non-commissioned officers and men of the Militia.

The Minister further recommends that the said provisions be made to take effect from the 1st day of September, 1914.

The Committee concur in the foregoing and submit the same for approval.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th April, 1915, from the Minister of the Interior, submitting that Mr. John Macdonald Gibbs was allowed to locate South African Volunteer Scrip upon the north half of Section 36, Township 55, Range 5, west of the 5th Meridian, on the 11th April, 1911 ;

It has been stated by a Homestead Inspector that Mr. Gibbs has performed two full periods of residence duties ;

Mr. Gibbs has made improvements consisting of a house, \$25, 1¼ miles fencing, \$100, 24 acres breaking (21 acres cropped) and 6 acres cleared ; .

The Minister submits the annexed copies of medical certificates from W. H. Rennie, M.D., and H. J. Hassard, M.D., both of Portage La Prairie, Manitoba, setting forth that Mr. Gibbs is suffering from a partial dislocation of his spine,—

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mr. Gibbs' South African Volunteer Scrip, the north half of Section 36, Township 55, Range 5, west of the 5th Meridian, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Gibbs for his Volunteer Scrip, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

Tuesday, the 30th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 7th December, 1907, certain lands were set apart as reserves for Doukhobor Communities during the pleasure of the Government ;

And whereas the Doukhobor Commissioner has reported that the lands enumerated in the attached schedule are no longer required for the purposes of the Doukhobor Communities, and the Minister of the Interior recommends that the lands enumerated in the attached schedule be withdrawn from the reserves established by the said Order in Council of the 7th December, 1907, and be opened to general homestead entry ;

And whereas the lands enumerated in the attached schedule are tributary to the Sub-Agency of Dominion Lands at Pelly, Saskatchewan, and the residents of the district contiguous to these lands have for a consider-

able time been urging the throwing open of the same to homestead entry and constitute by far the greater number of applicants desirous of securing entries therefor ; .

And whereas it is inconvenient for the applicants from the district mentioned to travel to the office of the local Agent of Dominion Lands at Yorkton, a distance of sixty or seventy miles, for the purpose of making applications,—

Therefore His Royal Highness the Governor General in Council is pleased to order that the lands enumerated in the attached schedule shall be and the same are hereby withdrawn from the reserve established by the said Order in Council of the 7th December, 1907.

His Royal Highness the Governor General in Council is further pleased to appoint Mr. R. S. Dundas, Sub-Agent of Dominion Lands at Pelly, Saskatchewan, to be, under subsection (h) of section 76 of The Dominion Lands Act, a local Agent of Dominion lands for a district comprising the lands enumerated in the attached schedule, his duties to consist of the receiving, after due public notice given, of applications for homestead entry from eligible applicants for the lands enumerated in the attached schedule and the granting of homestead entries therefor in accordance with The Dominion Lands Act and regulations in connection therewith; the duties of the local agent to terminate after such entries have been granted or when terminated by the Minister of the Interior, the office of entry to be at Pelly, Saskatchewan.

PERMITS.
Residents Permits.
6. A permit may be issued by any bona fide householder in a park to cut for his own use twenty-five (25) cords of dead wood free of dues from an area limited to five (5) acres. Such permits shall not be transferable and shall be valid for a period not to exceed three months, but in no case shall it be valid beyond the 31st March next following the date of issue. Such

permit shall be returned on or before the date of expiration to the office of the Superintendent with statutory declaration as to the quantities of wood cut thereunder. No person shall be granted more than one such permit during a period of any three months of any year.

7. The permittee shall be required, on the issue of such permit, to pay a fee of twenty-five (25) cents and no such permit shall be issued to any person who has not made return of all such former permits which have been issued to him.

Timber Permit granted without Competition.

8. Permits may be granted without competition to cut all the merchantable dead timber on areas not exceeding 160 acres. The permittee shall be required, on issue of such permit, to pay a fee of twenty-five (25) cents and the sum of \$7.50 to be applied as dues, as hereinafter mentioned, and no portion of such payment shall be returned whether the permittee operates or not. Remaining dues shall be paid on or before the return of the permit.

9. Such permit shall not be transferable and shall expire on or before the 31st of March next following the date of the issue thereof and shall be returned on or before such date of expiration thereof to the office of the Superintendent with statutory declaration as to the kinds and quantities of timber cut thereunder. No such permit shall be issued to any person who has not made return of all such former permits issued to him.

10. No such permit shall be issued to any firm or corporation or to any member thereof, while there is outstanding such permit in the name of the firm or corporation or any member thereof.

11. The Superintendent may require each applicant for a permit to furnish satisfactory proof that such permit is applied for for his own exclusive use and benefit.

Timber Permits granted by Public Competition.

12. The Minister may by public competition dispose of the right to obtain annual permits to cut all the merchantable dead timber on areas not exceeding two square miles, the ground rent to be thirty dollars (\$30.00) per square mile per annum, payable in advance. Such rental is to be applied as dues on timber cut in so far as such dues do not exceed the rental.

13. Application for any parcel to be put up by public competition shall be received by the Superintendent of the park concerned, and forwarded to the Commissioner of Dominion Parks with the recommendation of the Superintendent. Such application shall be accompanied by a deposit of thirty dollars (\$30). In case no advertisement is made for tenders, or if advertisement is made and the depositor is not the successful applicant, his deposit will be returned. If advertisement is made and no tender is received, the deposit will be forfeited to His Majesty. If the depositor is the successful applicant, the deposit will be retained and applied to the dues, or in case he fails to take out a permit as required by these regulations, it will be forfeited to His Majesty.

14. In surveyed districts the description of the parcel shall state the section, township and range, but in unsurveyed districts or where such description is impracticable the description shall be by metes and bounds trying the parcel of land either to a section line or some prominent topographical feature, sufficient to enable the lands to be identified in Departmental records.

15. On receipt of such application by the said Commissioner, if approved, sealed tenders addressed to the Minister will be called for by advertisement in the public press.

16. More than one parcel may be granted to an individual or group of individuals but each parcel must be tendered for separately.

17. Each tender must be accompanied by an accepted cheque on a chartered bank in favour of the Minister for the amount of the bonus which the applicant is prepared to pay for the right to obtain a permit.

18. The successful applicant shall take out a permit within sixty days from the date of the grant of such

right. He shall pay on the issue of such permit twenty-five (25) cents as office fee and the aforementioned ground rent. All dues in excess of the ground rent, or in case the permittee has made an application deposit, all dues, in excess of the combined sum of the ground rent and the application deposit, shall be paid on or before the date required for the return of the permit.

19. Each such permit shall expire on the 31st day of March next succeeding the date of the issue thereof and shall be returned to the Superintendent immediately after the expiration thereof with a statutory declaration as to the quantity and sorts of timber, if any, cut thereunder.

20. The Minister may, at his option, grant a renewal of such permit for three consecutive years, and may grant a further renewal for two additional consecutive years, provided that all fees, dues, rentals and other charges in respect of such permit or any renewal thereof, and all dues thereon in arrears shall have been duly paid, and that the operations of the permittee shall have been satisfactory to the Superintendent.

21. In case any person to whom a parcel is awarded fails to take out a permit for such parcel within sixty days after the date of award; or in case a permittee fails to make renewal when the right to do so has been granted within sixty days after the expiration of the permit, the right to obtain such permit or such renewal, as the case may be, and the deposit or bonus made in that connection may at the discretion of the Minister be forfeited to the Crown.

22. The right to obtain such permit on any parcel, or the permit itself, or any interest therein, shall not be assigned or transferred without the consent of the Minister, nor until any outstanding permit in the name of any of the parties concerned has been returned duly completed to the office of the Superintendent and all dues and other charges shall have been paid thereon. The fee for the registration of such assignment or transfer shall be two (\$2.00) dollars in advance.

23. One half the cost of patrolling and fighting fire to guard the timber covered by any such permit shall be defrayed by the permittee, the Crown defraying the other half. Such cost will be apportioned so that it will bear the same proportion to the total cost of fire guarding the whole park as the area covered by such permit bears to the area of the whole park. Payment of such cost shall be made on or before the 31st day of March following the date of such apportionment.

Green timber permits.

24. The Minister may, by public competition or otherwise, dispose of the right to obtain a permit to cut green timber for thinning out dense growths, making roads or any other improvement in Dominion Parks. Every such permit shall state the quantity and sort of timber granted and the dues charged for each sort. No ground rent shall be charged but all dues shall be paid on issue of such permit and shall remain the property of the Crown whether the permittee operates or not. The permittee shall be entitled to only one renewal of such permit.

25. Sections 14 to 24 both inclusive which apply to permits for dead timber shall, excepting sections 19 to 21, apply also to green timber permits.

Dues.

26. The dues to be charged for dry wood shall be as follows:—

B. For cordwood, twenty-five cents (25c.) per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

28. Statement of all timber removed by any permittee from any Dominion Park shall be made to the Superintendent thereof, quarterly, by the permittee removing such timber. Such statements shall give all information required as may be specified on forms prescribed by the Department; no such timber shall be shipped until the Superintendent of the Park concerned has been notified and permission has been given by him for shipment.

Seizures.

29. All timber cut within any Dominion Park upon which any dues are in arrears, or which has been cut without proper authority, shall be liable to seizure whether it is in the possession of the person by whom it was cut or of any other person, and whether it has or has not been removed from the Park, and in case such timber is seized, the person by whom it was cut shall, in the discretion of the Minister, forfeit all permits and all right to obtain a permit within a Dominion Park, in addition to any other penalty provided by The Forest Reserves and Parks Act or by these regulations.

30. Double dues may be charged on all timber seized and unless they are paid forthwith and unless the person who cut the timber can establish to the satisfaction of the Superintendent that the cutting was done without wilful intent to contravene the regulations, the timber shall be confiscated and may be disposed of by public auction after the same shall have been advertised as prescribed by the Superintendent and if no bid equal to the amount due to His Majesty on such timber is received it may be disposed of by private sale.

31. If timber cut in a Dominion Park, on which any dues are in arrears, or which has been cut without proper authority, has been removed beyond the reach of the Superintendent, the person responsible for the cutting shall be liable to a payment of at least double dues on the quantity so cut, as determined by the Superintendent, providing that such person can establish that such arrearage of dues existed or cutting of timber was done without wilful intent to infringe these regulations; in case he cannot so establish such intent to the satisfaction of the Superintendent he shall be liable to a fine of not less than one (\$1) dollar, and not more than three (\$3) dollars for every tree unlawfully cut.

32. If any green timber is cut upon any area granted under a permit for dry timber it shall be presumed to have been cut by such permittee, and he shall be liable to the penalty prescribed by these regulations, and such permit shall be cancelled and at the option of the Minister the permittee shall not be entitled to hold or to obtain any permit in any Dominion Park; provided that if such cutting has been done under special permit, or if the permittee shall prove to the satisfaction of the Minister that such cutting was not done by him or by his direction, or by his permission, or through any negligence on his part, he shall be absolved from the penalties and relieved from the liabilities prescribed by this clause.

33. The Superintendent or any Parks Officer shall have authority to make seizures of timber as herein provided.

Removal of Private Property.

34. Upon the expiration of any timber permit, the permittee shall forthwith remove from Crown Land covered by such permit, or used in the operation thereof, all logs, cordwood, buildings, chutes and other property belonging to him. Any such property that is not so removed, shall be the property of the Crown.

Stamps on Floated Timber.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th February, 1915, from the Secretary of State, submitting,—with reference to an Order in Council dated 24th November, 1914, which tentatively approved of a form of Certificate of Naturalization under The Naturalization Act of 1914, and provided that the same should be forwarded, through the Governor General's Office, to the Secretary of State for the Colonies, for consideration and approval, in order that there might be as great uniformity as possible in the Certificates of Naturalization granted by the Home Government and those of the various Dominions,—that upon this form being submitted to the Home Government, a despatch was received by His Royal Highness the Governor General from the Secretary of State for the Colonies intimating that the form in use in Great Britain is preferable to that proposed by the Order in Council above named, and that the practice which has prevailed since the year 1870 is that which is proposed to be continued;

The Minister further submits for the consideration of the Governor General in Council that the Certificate approved of by Order in Council, as aforesaid, differs from the Certificates under The Imperial Naturalization Act, which have since been published in the *London Gazette*, copies of which are attached hereto, in the following respects :

1. It is much shorter, the recitals of the Certificate of the United Kingdom being eliminated;
2. The Certificate of the United Kingdom provides on the face of it that it is not to be effective until the Oath of Allegiance is taken;
3. Particulars in greater detail are shown on the certificate;

that with respect to the first difference, while the recitals add to the formality of the document, it gains in no other respect; that it is proposed to have the certificate engraved from a steel plate on one piece of paper, and that the addition of recitals may make it necessary to lessen the size of the script, rendering it difficult to read; that the second difference is to the advantage of the proposed Canadian Certificate, which becomes immediately effective on its face, and not subject to any condition,—

The Minister, therefore, recommends that if the attached forms of certificate meet with the approval of the Governor General in Council, that the same be approved, namely :—

1. Certificate of Naturalization ;
2. Certificate of Naturalization, where names of children are included ;
3. Certificate of Naturalization granted to a minor ;
4. Certificate of Naturalization, special, granted to a person with respect to whose nationality as a British subject doubt exists ;
5. Certificate of Naturalization, granted to a person who was naturalized before the passing of the above mentioned Act.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

FISHING IN TIDAL WATERS, QUEBEC.

FURTHER NOTICE.—To fishermen operating in the tidal waters of Quebec, west of Point des Monts, and off the south shore of the River and Gulf St. Lawrence, and to all others interested.

IN the *Canada Gazette* of Saturday, 30th January, 1915, at page 2370, a notice was issued to the above persons advising them that the administration of the fisheries in these waters would be undertaken this year by the Minister of the Naval Service, and that consequently no one would be permitted to fish in such waters except under a license from him, and that it would be unnecessary to procure licenses to fish in such waters from any other authority.

It transpires, however, that there are differences of opinion between the Government of Canada and the Government of the Province of Quebec as to the legality of this announcement; and, therefore, in order to avoid embarrassment to the fishermen, an arrangement has now been reached between the two governments to have a test case submitted to the courts as speedily as possible, to settle finally the question of jurisdiction. Pending a decision in such case the Federal Government will not undertake the administration of the fisheries in the aforementioned waters. Hence, for the present, the Department of the Naval Service at Ottawa will not require licenses to fish in these waters. Such licenses may be obtained as heretofore from the Department of Colonization, Mines and Fisheries at Quebec.

G. J. DESBARATS,

Deputy Minister of the Naval Service.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.
(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A la Cour au Château de Windsor, le 13e jour d'avril 1915.

PRÉSENT.

Sa Très Excellente Majesté le ROI en Conseil.

ATTENDU que par l'arrêté dit "Aliens Restriction (Consolidation) Order, 1914," (ci-après désigné arrêté principal), il a plu à Sa Majesté d'imposer certaines restrictions au sujet des étrangers et d'établir divers règlements pour rendre ces restrictions effectives ;

Et attendu qu'il est opportun de modifier le principal arrêté de la manière citée ci-après,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé, d'ordonner et il est par le présent ordonné comme suit :—

Conditions requises au sujet des passeports, etc., dans le cas de passagers étrangers.

1. (1) Après le vingt-cinquième jour d'avril mil neuf cent quinze, un étranger venant d'un endroit quel-

conque hors du Royaume-Uni ou se proposant de se rendre à ce dit endroit, comme passager, ne devra atterrir à un port quelconque du Royaume-Uni ou s'y embarquer, sans la permission spéciale d'un Secrétaire d'Etat, à moins qu'il n'ait un passeport en sa possession qui lui aura été délivré au plus deux ans auparavant par ou au nom du gouvernement du pays dont il est sujet ou citoyen, ou quelque autre document établissant sa nationalité et son identité d'une manière satisfaisante, auquel passeport ou document doit être annexée une photographie de l'étranger dont il s'agit.

(2) Lorsqu'une telle permission spéciale d'un Secrétaire d'Etat a été donnée, subordonnement à des conditions quelconques, et que la personne à laquelle cette permission a été donnée néglige de se conformer à l'une quelconque de ces dites conditions, elle sera censée coupable de contravention à l'arrêté principal.

(3) Pour les fins du présent article, l'expression "passager" comprend toute personne transportée à bord d'un navire, autre que le capitaine et les personnes travaillant ou employées à bord du navire.

(4) Le présent article sera exécutoire comme s'il était inclus dans la Partie I de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

Conditions requises au sujet des passeports.

2.—(1) Après le vingt-cinquième jour d'avril mil neuf cent quinze, un étranger ne pourra entrer en territoire prohibé, sans une permission spéciale du préposé à l'enregistrement, à moins qu'il n'ait un passeport en sa possession qui lui aura été délivré au plus deux ans auparavant par ou au nom du gouvernement du pays dont il est sujet ou citoyen, ou quelque autre document établissant sa nationalité et son identité d'une manière satisfaisante, auquel passeport ou document doit être annexée une photographie de l'étranger dont il s'agit.

Sauf que lorsqu'un étranger réside en territoire prohibé à la date du présent arrêté, la présente disposition ne l'empêchera pas d'entrer dans ce territoire tant qu'il y aura sa résidence.

(2) Lorsqu'une telle permission spéciale d'un préposé à l'enregistrement a été donnée, subordonnement à des conditions quelconques, et que la personne à laquelle cette permission a été donnée néglige de se conformer à l'une quelconque de ces dites conditions, elle sera censée coupable de contravention à l'arrêté principal.

(3) Le présent article sera exécutoire comme s'il était inclus dans la Partie II de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

Les hôteliers, etc., devront tenir des registres des étrangers.

3.—(1) Après le vingt-cinquième jour d'avril mil neuf cent quinze, le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra s'assurer du nom et de la nationalité de toutes les personnes étrangères âgées de plus de quatorze ans demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, et les entrer dans un registre tenu à cette fin, ainsi que les dates de leur arrivée et de leur départ, leur destination au moment du départ ainsi que les autres circonstances particulières qui pourront être prescrites par un Secrétaire d'Etat, et si le propriétaire d'un hôtel, d'une auberge, d'une maison de pension ou d'un hôtel garni néglige de le faire ou s'il fait quelque entrée dans ce registre qu'il connaît comme fausse ou dont il aurait pu s'assurer de la fausseté en y mettant de la bonne volonté, il sera censé coupable de contravention à l'arrêté principal.

(2) Lorsque des instructions à cet effet sont données par un Secrétaire d'Etat, le propriétaire de chaque hôtel, auberge, maison de pension ou hôtel garni devra aussi faire rapport au préposé à l'enregistrement du district d'enregistrement dans lequel se trouve situé l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, au sujet des circonstances particulières susdites, aux époques ou intervalles, et en la manière qui pourra être

indiquée dans ces dites instructions, et s'il néglige de s'y conformer ou s'il fait de faux rapports, il sera censé coupable de contravention à l'arrêté principal.

(3) Chaque personne habitant un hôtel, une auberge, une maison de pension ou un hôtel garni devra donner à son propriétaire et signer une déclaration contenant les renseignements que le dit propriétaire pourra exiger afin de les inscrire dans le dit registre comme susdit, et si une personne quelconque néglige de le faire, ou donne des renseignements erronés, elle sera censée coupable de contravention à l'arrêté principal.

(4) A toute heure raisonnable, chaque registre tenu sous l'empire du présent article sera ouvert à l'inspection de tout agent de police ou de toute autre personne autorisée par un Secrétaire d'Etat.

(5) Pour les fins du présent article l'expression "propriétaire d'une maison de pension" comprendra toute personne qui, moyennant rémunération, reçoit toute autre personne pour loger avec elle ou dans sa maison, et lorsqu'un hôtel, une auberge, une maison de pension ou un hôtel garni est sous la direction d'un gérant, l'expression "propriétaire" comprendra ce gérant, relativement au présent article.

(6) Le présent article sera exécutoire comme s'il était inclus dans la Partie II de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

Titre abrégé.

4. Le présent article peut être cité "The Aliens Restriction (Amendment) Order, 1915."

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 9 avril 1915, représentant qu'en vertu de l'article 12 de la *Loi des arpentages fédéraux*, le Ministre peut faire faire l'examen des aspirants à l'étude de la profession en qualité d'élèves stagiaires ou au brevet d'arpenteurs fédéraux, aux époques et lieux qu'il prescrit, par l'un des membres de la Commission ou par un examinateur spécial qui doit être un arpenteur fédéral et être nommé à cet effet par le Gouverneur en conseil,—

Le Ministre recommande, par conséquent, la nomination de William Emerson Taylor, de Toronto, à l'emploi d'examineur spécial sous l'empire des dispositions de l'article ci-dessus de la *Loi des arpentages fédéraux*.

Le comité soumet cette recommandation pour approbation.

AU Comité du Conseil privé a été soumis un rapport du Ministre de la Milice et de la Défense, daté le 27 avril 1915, représentant qu'il n'est actuellement aucunement pourvu aux pensions des officiers et soldats des forces expéditionnaires canadiennes d'outre-mer ou leurs familles, et qu'il est désirable qu'il y soit pourvu immédiatement,—

Par conséquent, le Ministre recommande que le dispositions des articles 591 à 598 des Règlements de solde et d'allocations de la milice canadienne, ainsi que modifiées par un arrêté en conseil (C. P. n° 289) du 29 avril 1915, soient appliquées aux officiers et soldats des forces expéditionnaires canadiennes d'outre-mer et à leurs veuves, enfants, orphelins ou mères veuves au même degré que si les dits officiers et soldats étaient des officiers, sous-officiers à brevet, sous-officiers et soldats, respectivement, de la milice et étaient morts ou devenus invalides en service comme ces officiers, sous-officiers à brevet, sous-officiers et soldats de la milice.

Le Ministre recommande de plus que ces dispositions soient applicables à dater du 1er jour de septembre 1914.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 28 avril 1915, représentant qu'il a été permis à M. John Macdonald Gibbs de localiser son srip de volontaire sud-africain sur la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5e méridien, le 11 avril 1911 ;

Il a été déclaré par un inspecteur de homesteads que M. Gibbs a rempli ses obligations de résidence pendant deux des périodes prescrites ;

M. Gibbs a fait des améliorations consistant en une maison, \$25, un mille et un quart de clôture, \$100, 24 acres de défoncement (21 acres en culture) et six acres de défrichement ;

Le Ministre soumet les copies annexées des certificats médicaux des docteurs W. H. Rennie et H. J. Hassard, tous deux de Portage-La-Prairie, Manitoba, déclarant que M. Gibbs souffre d'une dislocation partielle de l'épine dorsale,—

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Gibbs soit exempté de l'obligation de résidence en rapport avec son srip de volontaire sud-africain, couvrant la moitié nord de la section 36, township 55, rang 5, à l'ouest du 5e méridien, afin que la patente gratuite de son srip de volontaire lui soit accordée dès qu'il aura été établi de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité soumet cette recommandation pour approbation.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil Privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 avril 1915, représentant que la ville d'Indian Head a demandé la permission d'acquérir le droit de passage d'une conduite d'eau pour l'alimentation de la ville à travers le quart nord-est de la section 29, township 17, rang 13, et le quart nord-ouest de la section 11, township 18, rang 13, tous deux à l'ouest du 2e méridien ;

En ce qui concerne le quart nord-est de la section 29 ci-dessus mentionné, le Ministre a été avisé par le Département de la Justice que le Gouverneur en conseil a le pouvoir, sous l'empire de la *Loi de l'irrigation*, d'autoriser la concession par vente privée d'une partie quelconque d'une section scolaire qui peut être requise pour des fins d'irrigation, ou des fins domestiques, industrielles ou autres ;

Toutefois, en ce qui concerne le quart nord-ouest de la section 11 ci-dessus mentionnée, on ne croit pas opportun de vendre le terrain requis pour le passage de la conduite d'eau à la ville, ce quart de section ayant été mis en réserve durant le bon plaisir du Ministre pour les fins d'une pépinière en rapport avec la branche de sylviculture du Département de l'Intérieur ;

Il a été représenté au Ministre que si le terrain était vendu et le titre en était cédé à la ville, le Département de l'Intérieur n'aurait aucun contrôle sur le terrain compris dans le droit de passage et que des clôtures pourraient être érigées le long de ce terrain, empêchant ainsi l'accès d'une partie à l'autre de la pépinière ;

Dans ces circonstances, le Ministre est d'avis que ce qu'il y a de mieux à faire est d'accorder à la ville d'Indian Head un permis d'occupation du terrain requis pour le passage de la conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, à la condition expresse, toutefois, que les fonctionnaires du Département de l'Intérieur auront en tout temps libre accès à ce terrain et auront de plus le droit de construire et entretenir à travers les dits terrains les clôtures de bornes qui pourront être nécessaires en rapport avec la station de sylviculture située dans ce dit quart de section,—

Par conséquent, le Ministre demande l'autorisation d'accorder à la ville d'Indian Head, aux conditions ci-dessus mentionnées, un permis d'occupation du terrain requis pour le passage d'une conduite d'eau à travers le quart nord-ouest de la section 11, township 18, rang 13, à l'ouest du 2e méridien, ainsi qu'indiqué sur le tracé ci-annexé, et de plus l'autorisation de vendre à la ville d'Indian Head, au prix de \$7 l'acre, le terrain requis pour le passage de la dite conduite d'eau à travers le quart nord-est de la section 29, township 17, rang 13, à l'ouest du 2e méridien, comprenant 1.87 acres, plus ou moins, ainsi qu'indiqué sur le tracé ci-annexé, ce terrain ayant été évalué à \$7 l'acre par M. Evans, inspecteur des terres des écoles

Le comité soumet cette demande pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 19 avril 1915, représentant que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, a été compris dans les terrains réservés aux établissements de Doukhobors par un arrêté en conseil du 7 décembre 1907, et que l'inspecteur des réserves des Doukhobors a fait rapport que ces terrains ne sont plus requis pour les fins auxquelles ils ont été mis en réserve ;

Le Ministre ajoute que les représentants légaux d'un certain Nicoli Khominoff, un Doukhobor, ont demandé

ce quart de section pour remplacer le homestead du dit Nicoli Khominoff dont l'inscription a été annulée à la suite de procédures en annulation instituées après la mort de l'inscrit, mais dont n'avait pas eu connaissance les représentants légaux avant l'annulation, et que faute de défense l'inscription a été annulée et le terrain cédé en homestead, conformément aux règlements, à celui qui avait demandé l'annulation. La conclusion d'un soigneux examen de la réclamation des représentants légaux est que l'inscription accordée au demandeur en annulation est légale et devrait demeurer valide, et que la réclamation des représentants légaux pourrait être réglée en leur concédant un autre quart de section, et en leur tenant compte en rapport avec cette dernière concession des conditions d'établissement remplies sur le premier homestead ;

Le Ministre est d'avis qu'il devrait être fait droit à cette réclamation, les représentants légaux ayant consenti à accepter le dit quart sud-ouest de la section 1 et à retirer toute prétention au premier homestead,—

Par conséquent, le Ministre recommande que le quart sud-ouest de la section 1, township 29, rang 32, à l'ouest du méridien principal, soit soustrait de la réserve des Doukhobors établie par arrêté en conseil du 7 décembre 1907 et qu'il soit concédé aux représentants légaux de Nicoli Khominoff en vertu du paragraphe (k) de l'article 76 de la *Loi des terres fédérales*.

Le comité soumet cette demande pour approbation.

ATTENDU que les règlements concernant les parcs fédéraux défendent la possession et le port d'armes non scellées dans les limites des parcs fédéraux, sauf par un garde-chasse dûment autorisé ;

Et attendu que le surintendant du parc des Montagnes-Rocheuses représente que certaines compagnies de commerce dans le dit parc ont offert en vente des armes non scellées et se sont opposées à ce que ces armes soient scellées par les gardiens du parc ;

Et attendu que le dit surintendant représente de plus que la prohibition de la vente des armes à feu dans le dit parc faciliterait la mise en vigueur des règlements concernant les armes à feu,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les dits règlements soient par ces présentes modifiés en y ajoutant l'article suivant :

71a. Personne dans les limites du parc ne s'engagera dans le trafic ou le commerce d'achat ou de vente de carabines, fusils, revolvers ou autres armes à feu.

ATTENDU que par un arrêté en conseil du 7 décembre 1907 certains terrains ont été mis en réserve durant le bon plaisir de Sa Majesté pour des établissements de Doukhobors ;

Et attendu que le Commissaire des Doukhobors a fait rapport que les terrains énumérés dans le tableau annexé sont plus requis pour les fins des établissements de Doukhobors, et que le Ministre recommande que les terrains énumérés dans le tableau annexé soient soustraits des réserves établies par le dit arrêté du 7 décembre 1907 et soient ouverts à l'inscription de homestead ;

Et attendu que les terrains énumérés dans le tableau annexé sont tributaires de la sous-agence des terres fédérales à Pelly, Saskatchewan, et que ceux qui habitent le district contigu à ces terres demandent depuis longtemps qu'elles soient ouvertes à l'inscription de home-

stead et qu'ils sont de beaucoup les plus nombreux de ceux qui désirent obtenir des inscriptions pour ces terrains ;

Et attendu que les requérants du district mentionne peuvent difficilement se rendre au bureau de l'agent local des terres fédérales à Yorkton, une distance de soixante ou soixante-dix milles, pour présenter leurs demandes,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que les terres énumérées dans le tableau annexé soient par ces présentes soustraites de la réserve établie par le dit arrêté en conseil du 7 décembre 1907.

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire du paragraphe (h) de l'article 76 de la *Loi des terres fédérales*, de nommer M. R. S. Dundas, sous-agent des terres fédérales à Pelly, Saskatchewan, agent local des terres fédérales pour le district comprenant les terrains énumérés dans le tableau annexé, ses devoirs étant de recevoir, après avis public dûment donné, les demandes d'inscription de homestead des requérants ayant droit de s'inscrire pour les terrains énumérés dans le tableau annexé, ainsi que d'accorder des inscriptions de homestead pour ces terrains conformément aux dispositions de la *Loi des terres fédérales* et des règlements établis en vertu de cette loi, ces fonctions de l'agent local devant prendre fin après que ces inscriptions auront été accordées ou quand le Ministre de l'Intérieur y mettra fin ; le bureau d'inscription sera à Pelly, Saskatchewan.

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 26e jour de février 1915.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

A U Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur et du Surintendant général des Affaires des sauvages, daté le 15 février 1915, représentant que par un arrêté en conseil du 17 mai 1889 une étendue de terrain située dans les townships 58, 59 et 60, rangs 6 et 7, à l'ouest du 4e méridien, ainsi qu'indiqué par un tracé vert sur le plan ci-annexé, a été mise en réserve pour la bande indienne de Keheewin, et que les sauvages ont demandé une nouvelle délimitation par laquelle certains terrains dans les townships 58 et 59, rang 6, à l'ouest du 4e méridien, contigus à la limite est de la réserve ainsi que constituée par l'arrêté en conseil ci-dessus mentionné, leur seraient accordés en échange de certaines parties des divisions nord et sud de la dite réserve;

Les terrains que demandent les sauvages sont des terres fédérales au sens de la *Loi des terres fédérales*, et comme ils sont disponibles pour cet échange, le Ministre est d'avis que la demande des sauvages soit accordée,—

Par conséquent, le Ministre recommande que l'arrêté en conseil ci-dessus mentionné soit rescindé et que la nouvelle délimitation de la réserve soit confirmée d'après la description suivante :

Premièrement : Toutes les parties des townships 58 et 59, rang 6, et toute la partie du township 59, rang 7, à l'ouest du 4e méridien, qui peuvent être décrites plus minutieusement comme suit : commençant à un poteau en fer et un tertre marquant l'angle sud-ouest de la section fractionnaire 1, dans le dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township approuvé et confirmé à Ottawa, le 6 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le sud en suivant la limite ouest de la réserve de chemin le long de la borne ouest de la partie nord du quart fractionnaire nord-est de la section 36, dans le dit township 58, rang 6, sur une distance de 23 chaînes et 93 chaînons, plus ou moins, jusqu'à un poteau en fer et un tertre, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 58, approuvé et confirmé à Ottawa, le 6e jour de novembre 1906, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers l'ouest en suivant la limite nord de la réserve de chemin le long de la borne nord des sections fractionnaires 36, 35, 34, 33, 32 et 31 du dit township 58, sur une distance de 435 chaînes et 40 chaînons, plus ou moins, jusqu'au point d'intersection avec la rive est du lac Keheewin ; de là dans une direction générale nord-ouest en suivant la dite rive du dit lac jusqu'au point d'intersection avec la limite est de la réserve de chemin sur la borne est de la section fractionnaire 12, township 59, rang 7, ce point étant situé à environ une chaîne dans la direction de l'est d'un poteau en bois sur la borne est de la dite section fractionnaire 12, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township 59, rang 7, approuvé et confirmé à Ottawa, le 4 novembre 1909, par Edouard Deville, arpenteur général des terres fédérales, et déposé au Département de l'Intérieur ; de là vers le nord en suivant la limite est de la réserve de chemin le long de la borne est des sections fractionnaires 12, 13, 24 et 25 du dit township 59, sur une distance de 235 chaînes et 27 chaînons, plus ou moins, jusqu'à un poteau en fer marqué I.R., situé une chaîne à l'est et 73 chaînons au sud d'un poteau en bois et d'un tertre marquant l'angle nord-est du quart fractionnaire sud-est de la section 25 du dit township, ainsi qu'indiqué sur le dit plan officiel du dit township ; de là vers l'est en suivant la limite sud de la réserve de chemin le long de la borne sud de la partie est du quart fractionnaire nord-est de la dite section

25, et le long de la limite sud de la réserve de chemin longeant la borne sud des sections fractionnaires 30, 29, 28, 27, 26 et 25, dans le dit township 59, rang 6, jusqu'au point d'intersection avec la rive ouest du lac Muriel ; de là dans la direction du sud-est en suivant la rive sud du lac Muriel jusqu'au point d'intersection avec la borne ouest de la section fractionnaire 24 du dit township 59, rang 6, ainsi qu'indiqué sur une carte ou plan du dit township approuvé de la manière susdite ; de là vers le sud en suivant la borne ouest des sections fractionnaires 24, 13, 12 et 1 du dit township, sur une distance de 307 chaînes et 89 chaînons, plus ou moins, jusqu'au point de départ, le tout contenant 28 milles carrés plus ou moins.

Deuxièmement : Toutes les parties des sections fractionnaires 26, 27, 29 et 30 du dit township 59, rang 6, qui ne sont pas couvertes par les eaux du lac Sinking, ainsi qu'indiqué sur le plan du dit township ; toute la section fractionnaire 28 ; toutes les parties des sections 31, 32, 33, 34 et 35 situées au sud de la rive sud du lac Sinking, ainsi qu'indiqué sur le plan du dit township et toutes les parties de la moitié sud des sections 5 et 6 du township 60, rang 6, situées au sud de la rive sud du dit lac Sinking, ainsi qu'indiqué sur une carte ou plan d'arpentage du dit township, approuvé et confirmé à Ottawa, le 31 mars 1909, par Edouard Deville, arpenteur des terres fédérales, et déposé au Département de l'Intérieur ; les terrains deuxièmement décrits ci-dessus contiennent 4 milles carrés, plus ou moins, et les terrains premièrement et deuxièmement décrits ci-dessus contiennent ensemble 32 milles carrés, plus ou moins, et sont tels qu'indiqués par un tracé rouge sur le plan ci-annexé.

Au sujet de ce qui précède, le Ministre représente de plus qu'en 1904 M. J. A. J. McKenna, assistant commissaire des sauvages à Winnipeg, a fait rapport que l'agent des sauvages Sibbald avait écrit que les sauvages de la réserve de Keheewin désiraient renoncer à la partie nord de leur réserve et faire ajouter une égale étendue à l'est de la réserve, leur but étant d'avoir ainsi de meilleures terres à foin et à culture, la partie nord, sauf quelque futaie, étant pratiquement sans valeur aucune à cause de ce vaste lac alcalin. M. Sibbald représentait que le changement serait dans l'intérêt des sauvages et recommandait qu'il fut autorisé. Demande fut donc faite au Département de l'Intérieur s'il avait des objections au changement projeté. Dans une lettre datée le 26 avril 1904, le département déclara qu'il semblait n'y avoir aucune objection, et M. J. Lestock Reid, arpenteur du Département des Affaires des sauvages, fit un arpentage en 1904, enlevant une partie au nord et au sud et ajoutant une partie égale à l'est de la réserve. En 1906 les sauvages présentèrent une réclamation, prétendant qu'ils ne savaient pas que les terres à foin au sud du lac Sinking avaient été soustraites de leur réserve. L'agent des sauvages fit rapport que cette lisière avait à peu près un demi-mile de large, que le sol, était alcalin et que le foin était requis pour le pâturage du bétail appartenant alors à la bande ; et de plus que la population de la bande de Keheewin augmentait rapidement, ainsi que constaté ci-dessous :

Novembre 1906.....	population 130
Décembre 1909.....	" 177
Août 1910.....	" 188
1913.....	" 1

Le 29 mars 1911, le Département de l'Intérieur avisa le Département des Affaires des sauvages qu'il avait été décidé de faire une addition à la borne nord, étendant la réserve jusqu'aux rives sud du lac Sinking.

Au cours de l'année 1914 trente-cinq sauvages quittèrent la réserve de Keheewin pour d'autres réserves, laissant une population de 162 en 1914, ce qui, d'après le traité, leur donnerait droit à 20,736 acres ; la superficie maintenant demandée est de 20,531 acres.

Le comité soumet cette demande pour approbation.

Greffier du Conseil privé.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 avril 1915, représentant qu'en novembre 1905 le vice-président et le gérant général de la Compagnie du chemin de fer Grand-Tronc-Pacifique ont représenté que les patentes accordées à la compagnie pour les terres auxquelles elle avait droit en vertu de l'article 46 de la Convention incorporée à la *Loi du Chemin de fer National Transcontinental* réservaient à la Couronne les mines et les minéraux. Il est important que la Compagnie ne soit pas embarrassée dans la construction de sa voie ferrée par le fait qu'il est permis à d'autres d'acquérir les droits miniers sous la surface des terrains qu'elle a acquis. Il a été demandé que la compagnie soit considérée premiers requérants pour les droits miniers sur ces terrains, et qu'une note à cet effet soit faite dans les archives du Département de l'Intérieur ;

Par un arrêté en conseil, daté le 19 avril 1906, il a par conséquent été décrété que dès que serait fournie la description des terrains que la compagnie désire acquérir pour ces fins, les dits terrains soient soustraits de l'inscription minière et de la vente pour l'extraction de la houille et autres fins minières, et qu'au cas où une personne ou compagnie quelconque demanderait la permission d'acquérir les droits miniers sous ces terrains la compagnie de chemin de fer soit considérée premiers requérants, et que ces droits miniers lui soient accordés sous l'empire des dispositions des règlements à cet effet,—

Il appert que la demande de la compagnie de chemin de fer de lui réserver les droits miniers sous ces terrains n'était que pour la période de construction de la voie ferrée, et comme la construction de ce chemin de fer est maintenant parachevée et que les terrains que la compagnie pouvait acquérir ont tous été choisis, le Ministre recommande que l'arrêté en conseil du 19 avril 1906 ci-dessus mentionné—faisant cette réserve—soit maintenant rescindé.

Le comité soumet cette recommandation pour approbation.

Greffier du Conseil privé.

LES Commissaires du Service Civil donnent avis que des demandes seront reçues de la part de personnes capables de remplir les positions suivantes dans la division intérieure du Service Civil du Canada :—

1. Un examinateur de brevets d'invention au Ministère de l'Agriculture, dans la subdivision B de la deuxième division, au traitement initial de \$1,200 par année. Les candidats doivent être gradués de quelque université reconnue et doivent s'être spécialisés dans le génie relatif à la mécanique. Bien que la nomination se fera d'abord à la subdivision B de la deuxième division, il est probable que si la personne nommée donne satisfaction, elle sera promue, après un an d'emploi, à la subdivision A de la deuxième division, avec un traitement initial de \$1,600 par année.

2. Un commis à titre temporaire qui aidera le secrétaire du bureau des géographes du Ministère de l'Intérieur, au traitement initial de \$1,300 par année. Les candidats doivent posséder une connaissance parfaite de la littérature anglaise, de l'histoire et de la géographie. Ils doivent aussi connaître la langue française. Un emploi temporaire ne peut durer plus de six mois dans une même année fiscale, mais, dans le présent cas, si l'aspirant choisi prouve qu'il a les aptitudes requises, il se peut qu'il soit nommé à titre permanent avec augmentation de traitement à la suite de sa période d'emploi temporaire.

Les formules de demande, dûment remplies, doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 31 mai prochain. On peut obtenir ces formules en s'adressant au Secrétaire de la Commission, à Ottawa.

Par ordre de la Commission,

W. M. FORAN,

Secrétaire.

de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal*.—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. *Une compagnie de télégraphe ou de téléphone*.—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :—Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et ré-imprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque* ; une *compagnie d'assurance* ; une *compagnie de crédit* ; une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

DU SERVICE ET DES APPRENTIS PILOTES.

6. Tout apprenti pilote devra servir en cette qualité pendant cinq années consécutives, et être embarqué pendant cinq saisons de navigation, au cours desdites années, sur des bâtiments marchands naviguant entre Montréal et Québec sur le fleuve Saint-Laurent, dès que les présents règlements seront en vigueur, le Ministre choisira à l'ancienneté, d'après les listes, des apprentis pilotes, au nombre des sept au maximum, de façon à ce que selon les besoins, chaque pilote affecté à une ligne régulière de navigation puisse avoir près de lui lorsqu'en service sur tout navire obligé de payer des droits de pilotage, et à chaque voyage entre Montréal et Québec, et *vice versa*, un apprenti pilote dont il aura charge. Chacun des apprentis pilotes ainsi choisis devra faire au moins cinquante voyages au cours de chaque saison de navigation, et ce sous les ordres d'un pilote lamineur.

NOMBRE DES VOYAGES QUI DEVRONT ETRE FAITS.

7. Tout apprenti pilote qui ne sera pas l'un de ceux désignés au choix, ainsi que dit ci-dessus, ne devra pas faire moins de trente voyages durant chaque saison de navigation. Au cas où il n'en serait pas ainsi sa licence sera annulée. Il n'est pas nécessaire que les voyages dont il est ici question aient été faits en compagnie d'un pilote autorisé, si l'apprenti pilote peut prouver, de façon satisfaisante, qu'il a piloté des navires qui n'étaient pas obligés de payer des droits de pilotage, ou qu'il a navigué sur des bâtiments allant de Québec à Montréal.

VOYAGES FAITS EN HIVER.

8. Tout apprenti pilote choisi par le Ministre, devra, au cours de son apprentissage, faire en hiver un voyage en Europe, aller et retour, comme matelot, ou, sinon, faire un voyage de cabotage, dans les mêmes conditions jusqu'au sud du cap Hatteras. Ces voyages, qui seront au minimum au nombre de trois, pourront être faits à n'importe quel moment de l'hiver, pendant l'apprentissage, mais chacun au cours d'un hiver distinct.

NOMINATION DES PILOTES.

9. Lorsqu'une vacance se produit parmi les pilotes lamaneurs dont le nombre est déterminé, ou qu'il est nécessaire d'augmenter le nombre de ces pilotes, on peut accorder à l'ancienneté un brevet de pilote à un apprenti pilote, pourvu qu'il ait justifié :— avoir convenablement terminé son apprentissage, s'être conformé à toutes les dispositions de ces règlements le concernant, et avoir subi avec succès un examen, par devant des examinateurs nommés par le Ministre. Toutefois aucun apprenti pilote ne pourra obtenir le brevet de pilote s'il a moins de vingt et un ans ou plus de quarante ans.

ON PEUT BREVETER UN APPRENTI PILOTE POUR QU'IL SERVE TEMPORAIREMENT EN QUALITE DE PILOTE.

10. Le Ministre peut autoriser un apprenti pilote à subir un examen et s'il le fait avec succès lui accorder un brevet qui, en cas de besoin, lui permettra d'agir en qualité de pilote pendant un laps de temps déterminé. Toutefois le brevet ainsi obtenu devra être renouvelé annuellement.

DISCIPLINE.

11. Tout apprenti pilote devra se soumettre à la discipline et aux ordres que lui imposera le pilote du navire sur lequel il sera embarqué. Dans le cas où un apprenti pilote ferait montre d'inconduite ou d'inattention vis-à-vis de son service, on pourra, au gré du Ministre, soit le révoquer, soit diminuer à volonté les avantages d'ancienneté qui lui sont acquis.

EMPLOI.

13. On entrera dans un registre spécial, tenu à cet effet, toutes les demandes de lignes régulières de navigation, devra, au cours de toute la saison de navigation, se tenir à la disposition du Surintendant, ou du Surintendant Adjoint de pilotage, selon les circonstances, pour être embarqué sur tout navire qu'on lui désignera, et chaque pilote d'une ligne régulière de bateaux à vapeur, sera tenu d'accepter tout apprenti pilote que l'on embarquera sur son navire, et il devra, chaque fois que faire se pourra, au cours du voyage, lui enseigner son métier.

REGISTRE DES PILOTES.

13. On entrera dans un registre spécial, tenu à cet effet, toutes les demandes de licences d'apprentis pilotes ou de brevets de pilotes, et l'on consignera aussi par écrit et conservera :— les noms et prénoms et l'âge de tout candidat qui a reçu une licence d'apprenti pilote ou un brevet de pilote et aussi tous autres renseignements que l'on est tenu de fournir au Ministre en conformité des dispositions de la Partie VI de l'Acte de la Marine Marchande du Canada.

DROITS DE BREVETS.

14. Pour chaque licence d'apprenti pilote l'impétrant devra payer un droit de cinq dollars, et pour chaque brevet de pilote un droit de dix dollars.

ABSENCE TEMPORAIRE.

15. Tout pilote qui désire cesser temporairement d'agir en qualité de pilote, peut, par l'entremise du Surintendant Général du pilotage, demander au Ministre la permission de cesser son service et à son gré le Ministre lui accordera ou lui refusera cette permission.

EXAMEN ANNUEL DE LA VUE.

16. Tout pilote ou apprenti pilote breveté devra chaque année subir un examen de la vue (avec épreuves de daltonisme) et de l'ouïe, par devant un médecin et un fonctionnaire du Département de la Marine et des Pêcheries, tous deux nommés par le Ministre.

MISE A LA RETRAITE DES PILOTES.

17. Tout pilote âgé de soixante-cinq ans qui a satisfait aux dispositions de l'article 452 de l'Acte de la Marine Marchande du Canada, peut, après avoir présenté et remis son brevet au Ministre, recevoir un nouveau brevet, valable pendant un an, et renouvelable d'année en année jusqu'à l'âge de soixante et dix ans, pourvu qu'ayant été examiné par des examinateurs nommés à cet effet par le Ministre il ait pu justifier des qualités et connaissances qu'on exige de lui, et ce, chaque année, pour le renouvellement du brevet.

ON PEUT ANNULER LES BREVETS.

18. Le Ministre peut suspendre ou annuler le brevet de tout pilote ou apprenti pilote dont la culpabilité aurait été établie quant à la violation de l'Acte de la Marine Marchande du Canada ou de ces règlements.

INCAPACITE INTELLECTUELLE OU PHYSIQUE.

19 (a) Lorsqu'une plainte formulée par écrit et signée par son auteur est adressée au Ministre à l'endroit d'un pilote autorisé, qui serait devenu incapable de faire convenablement son devoir de pilote par suite d'une infirmité ayant affecté ses facultés morales ou physiques, ou par suite d'ivrognerie, la plainte en question doit être portée à la connaissance dudit pilote.

(b) Dès la réception d'une plainte de cette nature le Ministre nomme un enquêteur qui, le représentant, institue une enquête, où, sous serment, l'on sera tenu de démontrer la véracité des faits de l'accusation portée contre le pilote.

(c) L'enquêteur ainsi nommé devra immédiatement fixer le jour, l'heure et le lieu où l'enquête sera tenue et il en informera celui qui a formulé la plainte et le pilote.

(d) Au moment et au lieu fixés, l'enquêteur qui aura été nommé tiendra une enquête où, sous serment, on prendra des dépositions ayant trait aux griefs mentionnés ayant motivé la plainte.

(e) Le pilote pourra comparaître à l'enquête soit personnellement soit par procureur et soumettre toute défense et toutes preuves qu'il jugera à propos.

(f) Dès la clôture de l'enquête, l'enquêteur soumettra immédiatement au Ministre tous les documents et pièces ayant figuré à l'enquête et aussi tous les témoignages recueillis.

(g) Si après avoir pris connaissance des détails de l'enquête, tels qu'à lui soumis, le Ministre est d'avis que la plainte portée contre le pilote était bien fondée il sera mis d'office à la retraite et son brevet sera annulé.

DIFFERENDS.

20. (a) Lorsqu'un différend en matière de pilotage survient entre des Capitaines, des pilotes, ou toutes autres personnes, si l'un quelconque de ceux-ci s'en plaint par écrit au Ministre, ce dernier fera instituer une enquête en la matière, par un enquêteur qu'il nommera à cet effet.

(b) Un avis émis par l'enquêteur et portant sur les faits ayant produit le différend sera adressé à chacune des personnes intéressées, qui, en même temps sera informée de la date, de l'heure et du lieu où l'enquête sera tenue.

(c) Après avoir entendu les parties en cause et leurs témoins, l'enquêteur, tenant compte des particularités du litige ou du différend qui lui est soumis donnera des ordres en conséquence ou rendra un jugement et tels ordres ou jugements seront sans appel et lieront les parties en cause à toutes fins.

PILOTES PREPOSES A UN SERVICE SPECIAL.

21. (a) Tout pilote peut, avec le consentement du Ministre, convenir avec l'Agent d'une ou de plusieurs lignes régulières de navigation, de fournir un service spécial pendant une saison de navigation. Tout pilote n'ayant pas conclu une telle entente devra, à la demande du Surintendant, se rendre à bord de tout navire à lui désigné et le piloter en conformité de la teneur de l'ordre qui lui aura été donné.

(b) Il est défendu à tout agent ou firme n'ayant à s'occuper que d'un navire par mois—service mensuel d'un seul navire—d'engager un pilote spécial; cependant, un tel agent ou une telle firme pourront être autorisés à s'entendre avec un autre agent ou firme se trouvant dans les mêmes conditions, pour se partager les services d'un pilote. Au cas où il ne pourrait en être ainsi, l'agent ou la firme ayant besoin des services d'un pilote devront employer un pilote de tour-de-rôle.

PILOTE DE TOUR-DE-ROLE.

22. Le Surintendant et le Surintendant Adjoint devront chacun de leur côté préparer un registre de pilotage, où ils inscriront les noms des pilotes qui serviront à tour-de-rôle, au cours de la saison de navigation; les fonctionnaires susdits devront voir à ce que chaque pilote fasse du pilotage lorsqu'il est régulièrement désigné par le tour-de-rôle—exception étant faite à l'endroit des pilotes qui, sur approbation du Ministre, ont été choisis pour un service spécial. Le registre de pilotage devra indiquer quels sont les pilotes qui ont un brevet canadien de Capitaine ou de Second.

23. (a) Le Capitaine ou l'Agent d'un navire qui aurait besoin d'être piloté en informeront le Surintendant ou le Surintendant Adjoint, selon le cas, lequel désignera pour ce service les trois premiers pilotes inscrits sur le registre. Le choix du pilote devra être fait parmi les pilotes disponibles au moment de l'appareillage du navire; le Surintendant ou le Surintendant Adjoint, selon le cas, devront, après s'être assuré que le pilote choisi n'a rien fait, directement ou indirectement, à l'aide d'influences, pour avoir à piloter le navire en partance, devront donner ordre au pilote choisi de piloter le navire ayant besoin de ses services.

(b) Au cas où un pilote serait employé alors qu'il ne devrait pas l'être, d'après le tour-de-rôle, et ce pour tout autre service que celui exigé par le déplacement de

navires dans les limites du havre, le nom de ce pilote sera mis le dernier sur la liste des pilotes figurant au registre.

DROIT DE PRIORITE.

24. Si deux pilotes ou plus arrivent au bureau des pilotes le même jour et à la même heure, le droit de priorité sera à leur égard déterminé d'après les ordres figurant au registre de pilotage.

AVIS DE CONVENTIONS FAITES EN VERTU D'UN SERVICE SPECIAL.

25. Tout pilote qui, conformément à ces règlements, aurait demandé à donner un service spécial, devra dans les trois jours ayant suivi sa demande d'emploi en informer par écrit le Surintendant et lui donner le nom de l'Agent et celui de la ligne ou des lignes de navigation à qui il a offert ses services. Des formules imprimées sont à cet effet fournies, sur demande, par les bureaux de pilotage.

DEPLACEMENT DES NAVIRES DANS LE HAVRE.

26. Tout navire qui est tenu d'acquitter des droits de pilotage et qui entre dans les limites du havre de Montréal ou en sort, ou qui se déplace à l'intérieur de ces limites devra payer les droits établis à cet effet pour les services d'un pilote lamaneur. Mais il est fait exception dans le cas où un navire changerait simplement de place le long d'un quai auquel il serait amarré, et aussi pour tout navire qui se déplacerait dans la partie dudit havre qui est située en amont d'une ligne tirée entre le côté Est de l'ancien élévateur du chemin de fer Pacifique-Canadien, en aval du môle Victoria, et le quai pour passagers de l'Île Sainte-Hélène.

DESOBEISSANCE.

27. Aucun pilote ou apprenti pilote ne devra désobéir aux ordres ou instructions du Ministre, qu'auraient signés le Surintendant ou le Surintendant Adjoint et qui lui auraient été adressés à domicile sous pli recommandé, ou qui lui auraient été remis personnellement. Nul pilote en service en conformité de tels ordres ou instructions ne devra non plus s'absenter tant qu'il n'y aura pas été régulièrement autorisé.

CONDUITE.

28. Les pilotes et les apprentis pilotes devront se conduire en hommes bien élevés, lorsqu'ils seront de service; ils s'abstiendront alors de toute boisson alcoolique et devront être sobres. Lorsque de service ils devront exercer la plus grande attention et la plus grande diligence afin d'assurer la sécurité de la navigation de tout vapeur ou navire quelconque sur lequel ils se trouveront, que ces bâtiments soient ou non remorqués par un bateau à vapeur pendant qu'ils en ont charge, et, de plus, ils veilleront avec le plus grand soin à ce que le navire qu'ils pilotent ne cause aucune avarie à un autre bâtiment.

LES DROITS NE DEVRONT PAS ETRE SUPERIEURS A CEUX FIGURANT AU TARIF.

29. (a) Aucun pilote ne demandera ni ne recevra un montant d'argent plus élevé pour le pilotage d'un navire, que celui fixé par le tarif de pilotage alors en vigueur dans le district de pilotage de Montréal.

(b) Il est absolument défendu à un pilote de solliciter le pilotage d'un navire, ou de tâcher d'obtenir ce pilotage par l'entremise d'influences particulières, soit pour lui-même soit pour un autre pilote.

DESERTEURS.

30. Il est défendu à tout pilote ou apprenti pilote d'aider ou de seconder tout matelot ou novice, qui étant légalement enrôlé sous les ordres du capitaine d'un navire quelconque, désirerait se cacher pour se soustraire à son service, et il lui est aussi défendu de se prêter, de quelque façon que ce soit, à la désertion de matelots ou de novices enrôlés en conformité de la loi.

PILOTES DEVANT PILOTER DES NAVIRES DE S. M.

31. Tout pilote devra à la demande du Surintendant ou du Surintendant Adjoint se rendre à bord d'un bâtiment quelconque au service de Sa Majesté, et le piloter aussi longtemps qu'il en sera requis par la teneur de l'ordre qu'il aura reçu à cet effet.

LES PILOTES A BORD DES NAVIRES DE S. M. DEVRONT SE CONFORMER AUX ORDRES DU MINISTRE.

32. Lorsqu'un pilote aura à piloter un navire de Sa Majesté ou aura convenu de le piloter, en s'entendant avec le Capitaine de ce navire, ou avec tout agent s'en occu-

pant, il sera tenu de se conformer à la partie de la convention à laquelle il aura souscrit, et ce conformément à la teneur d'icelle, mais il aura à se soumettre à tous ordres qu'on lui transmettra au nom du Ministre.

LES PILOTES DEVRONT DONNER AVIS DE LEUR ARRIVEE ET DE LEUR DEPART.

33. Tout pilote devant piloter un navire quelconque depuis le havre de Montréal jusqu'à Québec, ou vice versa, ou jusqu'à l'un quelconque des points intermédiaires du fleuve devra, avant de partir, en donner avis de vive voix ou par écrit au Surintendant ou au Surintendant Adjoint, selon le cas, et immédiatement avant l'appareillage du navire il devra se rendre au bureau des pilotes pour se renseigner sur l'état et la position des bouées, des balises et du chenal. A ce moment-là il signera un livre que l'on tient à cet effet, et qui a pour objet de montrer que le pilote s'est renseigné à l'égard des plus récents détails du service le concernant. Cette visite de départ au bureau des pilotes ne sera omise, que lorsque le pilote en sera empêché par des circonstances constituant un cas de force majeure.

TRAVAUX DE DRAGAGE.

34. Lorsqu'on exécutera des travaux de dragage dans le chenal maritime du havre de Montréal, l'officier chargé de ces travaux devra en informer immédiatement le Surintendant Adjoint du pilotage, à Montréal, avant qu'aucun navire ne quitte le havre.

AMARRAGE DES NAVIRES A QUEBEC.

35. Tout pilote ayant piloté un navire depuis Montréal jusqu'à Québec devra rester à bord de ce navire, s'il en est requis, jusqu'à ce que le navire ait été amarré en toute sécurité, à la satisfaction de son capitaine ou de la personne en ayant charge.

AMARRAGE DES NAVIRES A MONTREAL.

36. Tout pilote ayant piloté un navire jusque dans le havre de Montréal devra rester à bord jusqu'à ce que le navire ait été amarré au poste d'amarrage où il doit décharger sa cargaison; le pilote verra à ce que le navire batte son pavillon de pilote tant qu'il n'aura pas été convenablement amarré à son poste, ou conduit le long d'un quai; et ce à moins que le capitaine, l'armateur ou toute autre personne qualifiée pour le lui dire lui ait au préalable fait part que l'on n'a plus besoin de lui.

LES PILOTES DOIVENT SIGNALER TOUT CHANGEMENT QUI SE PRODUIRAIT DANS LE CHENAL.

37. Dès son arrivée à Québec, ou à Montréal, tout pilote devra faire part au Surintendant ou au Surintendant Adjoint, soit verbalement, soit par écrit, de tous changements qu'il aurait constaté en cours de route, tels que:— modification des bancs de sable ou du chenal; déplacement ou bris de bouées, balises ou feux-flottants ou défauts d'éclairage de l'optique des phares.

DECHARGEMENT DU LEST.

38. Dès son arrivée tout pilote devra faire part au Surintendant ou au Surintendant Adjoint, du jet de lest ou de tout autre corps qui aurait été fait dans les eaux du district de pilotage de Montréal par le navire sur lequel il se trouve, et de nature à nuire à la navigation ou à l'empêcher ou à en compromettre la sécurité. Tout pilote qui, même sans être à bord d'un navire, aurait été témoin d'un geste prohibé de la nature susdite, ou qui en aurait connaissance de quelque manière que ce soit, devra le signaler ainsi que requis par les présents.

LES PILOTES DOIVENT SIGNALER LES ACCIDENTS.

39. Lorsqu'un navire subit un accident ou est avarié par un autre navire, alors qu'il est piloté dans les eaux du district de pilotage de Montréal; ou que quelque chose d'anormal se produit à son bord, quant à sa navigation; ou que le pilote constate une violation de la loi ou des règlements de la part d'un autre navire; ou que la chose est portée à sa connaissance; ce pilote devra, aussitôt que possible, se rendre au bureau de pilotage de Montréal et faire au Surintendant Adjoint un rapport détaillé par écrit, de ce qu'il a appris ou vu.

SUSPENSION PROVISOIRE DU BREVET D'UN PILOTE.

40. Si un navire piloté subit un accident d'échouage ou entre en collision avec un autre navire, et qu'à l'enquête préliminaire subséquente il soit prouvé que le ou les pilotes ayant charge du ou des navires a ou ont été la cause de l'accident survenu, l'enquêteur pourra suspendre le ou les brevets du ou des pilotes en cause, jusqu'à ce que l'on institue une enquête formelle, en conformité des dispositions de l'Acte de la

Marine Marchande du Canada, et qu'il soit statué en l'espèce; toutefois, la durée de la suspension susdite du brevet ne devra pas dépasser plus de sept jours, à moins qu'entre temps le Ministre n'avise le ou les pilotes qu'une enquête formelle sera instituée.

DE LA VIOLATION DES REGLEMENTS.

41. Violera ces règlements quiconque:—

(1) Agissant à un titre quelconque négligera de s'y conformer, les enfreindra ou contreviendra à leurs dispositions;

(2) Sera le Capitaine, le pilote, l'armateur, ou la personne en charge d'un navire à bord duquel les règlements auront été violés, quant à la navigation ou à la manœuvre du bâtiment.

DROITS DE PILOTAGE.

43. A partir du jour où les présents règlements seront appliqués, les navires auront à payer les droits de pilotage figurant au tarif ci-après, lorsqu'ils navigueront entre les havres de Montréal et de Québec et les localités intermédiaires.

ORDERS IN COUNCIL.

[413]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1915, from the Minister of the Interior and the Superintendent General of Indian Affairs, submitting that by an Order in Council of 17th May, 1889, a tract of land situated in Townships 58, 59 and 60, Ranges 6 and 7, west of the 4th Meridian, as shown outlined in green on the plan hereto attached, was set apart for Keheewin's band of Indians, and that the Indians have requested a re-adjustment whereby certain lands in Townships 58 and 59, Range 6, west of the 4th Meridian, adjoining the eastern limit of the reserve as constituted by the above mentioned Order in Council would be granted to them in exchange for certain portions of the northern and southern parts of the said reserve;

The lands desired by the Indians are Dominion lands within the meaning of The Dominion Lands Act, and, as they are available for the purpose of the exchange, the Minister is of opinion that the request of the Indians should be favourably considered,—

The Minister therefore recommends that the above mentioned Order in Council be rescinded and that the re-adjustment of the reserve be confirmed in accordance with the following description:—

Firstly, all those portions of the fifty-eighth and fifty-ninth Townships, in the sixth Range and all that portion of the fifty-ninth Township, in the seventh Range, west of the fourth Meridian, which may be more

particularly described as follows: commencing at an iron post and mound marking the southwest corner of Fractional Section one, in the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of survey of the said township approved and confirmed at Ottawa, on the 6th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands and of record in the Department of the Interior, thence southerly following the western limit of the road allowance along the west boundary of the northern part of the fractional northeast quarter of Section thirty-six, in the said fifty-eighth Township, in the sixth Range, a distance of twenty-three chains and ninety-three links, more or less, to an iron post and mound as shown upon a map or plan of survey of the said fifty-eighth Township, approved and confirmed at Ottawa, on the sixth day of November, A.D. 1906, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior; thence westerly following the northerly limit of the road allowance, along the north boundary of Fractional Sections thirty-six, thirty-five, thirty-four, thirty-three, thirty-two and thirty-one, in the said fifty-eighth Township, a distance of four hundred and thirty-five chains and forty links, more or less, to the point of intersection with the eastern shore of Keheewin Lake; thence in a general north westerly direction following the said shore of said lake to the point of intersection with the east limit of the road allowance on the east boundary of Fractional Section twelve, in the fifty-ninth Township, in the seventh Range, the said point being approximately one chain in an easterly direction from a wooden post on the east boundary of said Fractional Section twelve, as shown upon a map or plan of survey of the said fifty-ninth Township, in the seventh Range, approved and confirmed at Ottawa, on the 4th day of November, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, thence northerly following the easterly limit of the road allowance along the east boundary of Fractional Sections twelve, thirteen, twenty-four and twenty-five, of the said fifty-ninth Township, a distance of two hundred and thirty-five chains and twenty-seven links more or less, to an iron post marked I. R., situate one chain east and seventy-three links south of the wooden post and mound marking the northeast corner of the fractional southeast quarter of Section twenty-five of the said township, as shown upon the said official plan of said township, thence easterly following the southern limit of the road allowance along the south boundary of the eastern part of the fractional northeast quarter of said Section twenty-five and along the south limit of the road allowance, along the south boundary of Fractional Sections thirty, twenty-nine, twenty-eight, twenty-seven, twenty-six and twenty-five, in the said fifty-ninth Township, in the sixth Range, to the point of intersection with the western shore of Muriel Lake, thence in a southeasterly direction following the southern shore of Muriel Lake, to the point of intersection with the western boundary of Fractional Section twenty-four of the said fifty-ninth Township, in the sixth Range, as shown upon a map or plan of the said township approved as aforesaid, thence southerly following the western boundary of Fractional Sections twenty-four, thirteen, twelve and one of the said township, a distance of three hundred and seven chains and eighty-nine links, more or less, to the place of commencement, containing by admeasurement twenty-eight square miles more or less; and *secondly*:

All those portions of Fractional Sections twenty-six, twenty-seven, twenty-nine and thirty of the said fifty-ninth Township, in the sixth Range, which are not covered by any of the waters of Sinking Lake, as shown on the said plan of said township, all of Fractional Section twenty-eight, all those portions of Sections thirty-one, thirty-two, thirty-three, thirty-four and thirty-five, which lie to the south of the south shore of Sinking Lake, as shown on said plan of said township, and all those portions of the south half of Sections five and six in the sixtieth Township, in the sixth Range, which lie to the south of the south shore of said Sinking Lake, as shown upon a map or plan of survey of the said township, approved and confirmed at Ottawa,

on the 31st day of March, A.D. 1909, by Edouard Deville, Surveyor General of Dominion Lands, and of record in the Department of the Interior, all the above secondly described parcels containing by admeasurement together, four square miles, more or less, and all the lands *firstly* and *secondly* above described containing by admeasurement together, thirty-two square miles, more or less, and as shown outlined in red on the plan hereto attached.

The Minister states, in further reference to the foregoing, that in 1904 Mr. J. A. J. McKenna, Assistant Indian Commissioner at Winnipeg, reported that Indian Agent Sibbald had written that the Indians of Keheewin's reserve desired to have the northern portion of their reserve cut off and a portion of equal area added to the eastern side of the reserve their object being to gain better hay and farming lands, the northern portion, with the exception of some good timber, being practically useless, as it contained a large alkaline lake. Mr. Sibbald stated that the change would be in the interest of the Indians and recommended that it be made. Accordingly the Department of the Interior was asked whether it had any objection to the exchange being made. By letter dated 26th April, 1904, that Department stated that there would appear to be no objection, and in consequence Mr. J. Lestock Reid, a Surveyor of the Department of Indian Affairs, made the survey in 1904, cutting off a northern and a southern portion and adding an equal portion on the east side of the reserve. In 1906 the Indians put forth a claim that they were not aware that the hay lands south of Sinking Lake had been eliminated from their reserve. The Indian Agent reported that the strip was about half mile wide, the land alkaline, and that the hay was required for the pasturage of the cattle then owned by the band; also that the population of Keheewin's band was rapidly increasing which may be shown as follows:—

November, 1906.....	Population 130
December, 1909.....	" 177
August, 1910.....	" 188
1913.....	" 196

On 29th March, 1911, the Department of Indian Affairs was informed by the Department of the Interior that it had been decided to make the addition to the north boundary, extending the reserve to the south shores of Sinking Lake.

During 1914 thirty-five Indians left Keheewin's reserve for other reserves, leaving a population of one hundred and sixty-two in 1914, which, according to treaty, would entitle them to 20,736 acres; the area now asked for is 20,531 acres.

The Committee submit the same for approval.

Clerk of the Privy Council.

[834]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th April, 1915, from the Minister of the Interior, stating that application has been made by the Town of Indian Head for permission to acquire the right of way for a pipe line through the northeast quarter of Section 29, Township 17, Range 13, and the northwest quarter of Section 11, Township 18, Range 13, both west of the 2nd Meridian, for the purpose of supplying the Town with water ;

That with respect to the northeast quarter of Section 29 referred to, the Minister has been advised by the Department of Justice that the Governor in Council has power under The Irrigation Act to authorize the disposal by private sale of any portion of a school section that may be required for domestic, irrigation, industrial or other purposes ;

That with respect, however, to the northwest quarter of Section 11 referred to, it is not considered advisable to sell the land required for the right of way to the Town, as this quarter section has been reserved during the pleasure of the Minister for nursery purposes in connection with the Forestry Branch of the Department of the Interior, and it is represented to the Minister that, if the land were sold and an absolute title given to the Town, the Department of the Interior would have no control over the land comprised in the right of way and fences might be erected along such right of way, thus preventing access from one part of the nursery to the other ;

That under these circumstances the Minister considers that the best course would be to grant a license of occupation to the Town of Indian Head of the land required for the right of way of the pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the Second Meridian, on the express condition, however, that the officers of the Department of the Interior shall at all times have free access across the said right of way and shall also have the right to construct and maintain such boundary fences across the said right of way as may be required in connection with the operation of the Forestry Nursery Station which is situated on this quarter section,—

The Minister, therefore, recommends that he be authorized to issue a license of occupation to the Town of Indian Head, on the terms and conditions before mentioned, of the land required for the right of way for a pipe line across the northwest quarter of Section 11, Township 18, Range 13, west of the 2nd Meridian, as shown on the tracing hereto attached, and that he be also authorized to sell to the Town of Indian Head, at the rate of \$7.00 per acre, the land required for the right of way of the said pipeline across the northeast quarter of Section 29, Township 17, Range 13, west of the 2nd Meridian, comprising 1.87 acres more or less, as shown on the tracing hereto attached, this land having been valued by Mr. Evans, Inspector of School Lands at \$7.00 per acre.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS, the Dominion Parks Regulations prohibit the possession and carrying of unsealed weapons within the Dominion Parks except by a duly authorized game guardian :

And, whereas, the Superintendent of the Rocky Mountains Park sets forth that certain trading companies within said park have been offering for sale

unsealed rifles, and have objected to having same sealed by the park wardens ;

And, whereas, the said Superintendent further sets forth that the prohibition of the sale of firearms, within the said park, would facilitate the enforcement of the regulations with respect to firearms,—

Therefore, His Royal Highness in Council is pleased to order that the said regulations shall be, and the same are hereby amended, by adding thereto the following clause :—

71a. No person shall, within any Dominion Park, traffic in, or engage in the business of buying and selling rifles, shot-guns, revolvers or any other firearms.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 24th day of April, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 19th April, 1915, from the Minister of the Interior, submitting that, the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian was included in lands reserved for community Doukhobors by Order in Council of 7th December, 1907, and the Inspector of Doukhobor Reserves has reported that it is no longer required for the purpose for which it was set apart ;

The Minister further submits that application has been made by the legal representatives of one Nicoli Khominoff, a Doukhobor, for this quarter section, in lieu of the homestead of the said Nicoli Khominoff, whose entry was cancelled pursuant to cancellation proceedings commenced after the death of the homesteader but which did not come to the attention of the legal representatives prior to cancellation and in the absence of defence the entry was cancelled and the land granted under entry to the applicant for cancellation in accordance with the regulations ; after full investigation into the claim of the legal representatives it is considered the entry granted to the applicant for cancellation is legal and should stand and that the claim of the legal representatives should be satisfied by granting them another quarter section, counting in connection therewith the duties performed on the original homestead ;

The Minister states that, in his opinion, the said claim is entitled to favourable consideration and the legal representatives have agreed to accept the said southwest quarter of Section 1 accordingly, and to withdraw all claim to the original homestead,—

The Minister, therefore, recommends that the southwest quarter of Section 1, Township 29, Range 32, west of the Principal Meridian be withdrawn from the Doukhobor Reserve established by Order in Council of 7th December, 1907, and be granted to the legal representatives of Nicoli Khominoff under authority of subsection (k) of section 76 of The Dominion Lands Act.

The Committee submit the same for approval.

Mr. Gibbs has made improvements consisting of a house, \$25, 1¼ miles fencing, \$100, 24 acres breaking (21 acres cropped) and 6 acres cleared ;

The Minister submits the annexed copies of medical certificates from W. H. Rennie, M.D., and H. J. Hassard, M.D., both of Portage La Prairie, Manitoba, setting forth that Mr. Gibbs is suffering from a partial dislocation of his spine,—

The Minister recommends, under the circumstances, that the residence requirements of The Dominion Lands Act be dispensed with in connection with Mr. Gibbs' South African Volunteer Scrip, the north half of Section 36, Township 55, Range 5, west of the 5th Meridian, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Gibbs for his Volunteer Scrip, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 30th day of March, 1915.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 7th December, 1907, certain lands were set apart as reserves for Doukhobor Communities during the pleasure of the Government ;

And whereas the Doukhobor Commissioner has reported that the lands enumerated in the attached schedule are no longer required for the purposes of the Doukhobor Communities, and the Minister of the Interior recommends that the lands enumerated in the attached schedule be withdrawn from the reserves established by the said Order in Council of the 7th December, 1907, and be opened to general homestead entry ;

And whereas the lands enumerated in the attached schedule are tributary to the Sub-Agency of Dominion Lands at Pelly, Saskatchewan, and the residents of the district contiguous to these lands have for a consider-

able time been urging the throwing open of the same to homestead entry and constitute by far the greater number of applicants desirous of securing entries therefor ;

And whereas it is inconvenient for the applicants from the district mentioned to travel to the office of the local Agent of Dominion Lands at Yorkton, a distance of sixty or seventy miles, for the purpose of making applications,—

Therefore His Royal Highness the Governor General in Council is pleased to order that the lands enumerated in the attached schedule shall be and the same are hereby withdrawn from the reserve established by the said Order in Council of the 7th December, 1907.

His Royal Highness the Governor General in Council is further pleased to appoint Mr. R. S. Dundas, Sub-Agent of Dominion Lands at Pelly, Saskatchewan, to be, under subsection (h) of section 76 of The Dominion Lands Act, a local Agent of Dominion lands for a district comprising the lands enumerated in the attached schedule, his duties to consist of the receiving, after due public notice given, of applications for homestead entry from eligible applicants for the lands enumerated in the attached schedule and the granting of homestead entries therefor in accordance with The Dominion Lands Act and regulations in connection therewith, the duties of the local agent to terminate after such entries have been granted or when terminated by the Minister of the Interior, the office of entry to be at Pelly, Saskatchewan.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.
Friday, the 30th day of April, 1915.
PRESENT :
HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

HIS Royal Highness the Governor General in Council is pleased to order as follows :
The regulations approved by Orders in Council of the 21st May, 1906, and the 15th February, 1911, and re-established on the 6th June, 1911, relating to the removal of timber from Dominion Parks, are hereby rescinded and, in pursuance of the provisions of section 18 of The Dominion Forest Reserves and Parks Act, as enacted by section 5 of chapter 18, 3-4 George V the annexed regulations are hereby approved and substituted in lieu thereof.
RODOLPHE BOUDREAU,
Clerk of the Privy Council.

REGULATIONS FOR THE REMOVAL OF TIMBER IN DOMINION PARKS.
The removal of timber in the Dominion Parks shall be governed as follows :—

- PERMITS.
1. Permits for the cutting of dead or fallen timber may be granted by the Superintendent of any Park hereinafter called the Superintendent subject to the conditions herein contained :—
 - (a) The permittee shall cut only such timber as is designated in the permit ;
 - (b) The permittee shall take all merchantable material of the timber so designated ;
 - (c) No roads shall be made and no green timber or young growth shall be destroyed except such as may, in the judgment of the Superintendent, to be expressed in writing, be necessary to carry out the rights granted under the permit ;
 - (d) Trees shall not be cut higher than 18 inches from the ground without written permission of the Superintendent ;
 - (e) The permittee shall exercise a strict and constant supervision to prevent the origin or spread of forest fires ;
 - (f) The permittee shall gather into heaps suitable for burning all tops, branches and other debris resulting from operations under his permit, in accordance with the instructions of the Superintendent.
 3. If required by the Superintendent, the permittee shall chain off the area granted and plant a post at each of the corners thereof, and tie it to the section lines or to some topographical features so that it may be identified in Departmental records.
 4. Any breach of the regulations or conditions of the permit by the permittee, or failure to comply with any instructions consistent with the spirit of these regulations given by the Superintendent, or other Parks' Officer shall render all permits held by the permittee liable to summary cancellation by the Superintendent in writing, and the privilege of such permittee obtaining any further permits shall be in the discretion of the Minister of the Interior, hereinafter called the Minister. In questions of dispute the decision of the Minister shall be final.
 5. All permits for the cutting of timber in Dominion Parks and all rights thereunder shall be subject to these regulations and to any amendments that may be made thereto.

PERMITS.
Residents Permits.
6. A permit may be issued by any bona fide householder in a park to cut for his own use twenty-five (25) cords of dead wood free of dues from an area limited to five (5) acres. Such permits shall not be transferable and shall be valid for a period not to exceed three months, but in no case shall it be valid beyond the 31st March next following the date of issue. Such

permit shall be returned on or before the date of expiration to the office of the Superintendent with statutory declaration as to the quantities of wood cut thereunder. No person shall be granted more than one such permit during a period of any three months of any year.

7. The permittee shall be required, on the issue of such permit, to pay a fee of twenty-five (25) cents and no such permit shall be issued to any person who has not made return of all such former permits which have been issued to him.

Timber Permit granted without Competition.

8. Permits may be granted without competition to cut all the merchantable dead timber on areas not exceeding 160 acres. The permittee shall be required, on issue of such permit, to pay a fee of twenty-five (25) cents and the sum of \$7.50 to be applied as dues, as hereinafter mentioned, and no portion of such payment shall be returned whether the permittee operates or not. Remaining dues shall be paid on or before the return of the permit.

9. Such permit shall not be transferable and shall expire on or before the 31st of March next following the date of the issue thereof and shall be returned on or before such date of expiration thereof to the office of the Superintendent with statutory declaration as to the kinds and quantities of timber cut thereunder. No such permit shall be issued to any person who has not made return of all such former permits issued to him.

10. No such permit shall be issued to any firm or corporation or to any member thereof, while there is outstanding such permit in the name of the firm or corporation or any member thereof.

11. The Superintendent may require each applicant for a permit to furnish satisfactory proof that such permit is applied for for his own exclusive use and benefit.

Timber Permits granted by Public Competition.

12. The Minister may by public competition dispose of the right to obtain annual permits to cut all the merchantable dead timber on areas not exceeding two square miles, the ground rent to be thirty dollars (\$30.00) per square mile per annum, payable in advance. Such rental is to be applied as dues on timber cut in so far as such dues do not exceed the rental.

13. Application for any parcel to be put up by public competition shall be received by the Superintendent of the park concerned, and forwarded to the Commissioner of Dominion Parks with the recommendation of the Superintendent. Such application shall be accompanied by a deposit of thirty dollars (\$30). In case no advertisement is made for tenders, or if advertisement is made and the depositor is not the successful applicant, his deposit will be returned. If advertisement is made and no tender is received, the deposit will be forfeited to His Majesty. If the depositor is the successful applicant, the deposit will be retained and applied to the dues, or in case he fails to take out a permit as required by these regulations, it will be forfeited to His Majesty.

14. In surveyed districts the description of the parcel shall state the section, township and range, but in unsurveyed districts or where such description is impracticable the description shall be by metes and bounds trying the parcel of land either to a section line or some prominent topographical feature, sufficient to enable the lands to be identified in Departmental records.

15. On receipt of such application by the said Commissioner, if approved, sealed tenders addressed to the Minister will be called for by advertisement in the public press.

16. More than one parcel may be granted to an individual or group of individuals but each parcel must be tendered for separately.

17. Each tender must be accompanied by an accepted cheque on a chartered bank in favour of the Minister for the amount of the bonus which the applicant is prepared to pay for the right to obtain a permit.

18. The successful applicant shall take out a permit within sixty days from the date of the grant of such

right. He shall pay on the issue of such permit twenty-five (25) cents as office fee and the aforementioned ground rent. All dues in excess of the ground rent, or in case the permittee has made an application deposit, all dues, in excess of the combined sum of the ground rent and the application deposit, shall be paid on or before the date required for the return of the permit.

19. Each such permit shall expire on the 31st day of March next succeeding the date of the issue thereof and shall be returned to the Superintendent immediately after the expiration thereof with a statutory declaration as to the quantity and sorts of timber, if any, cut thereunder.

20. The Minister may, at his option, grant a renewal of such permit for three consecutive years, and may grant a further renewal for two additional consecutive years, provided that all fees, dues, rentals and other charges in respect of such permit or any renewal thereof, and all dues thereon in arrears shall have been duly paid, and that the operations of the permittee shall have been satisfactory to the Superintendent.

21. In case any person to whom a parcel is awarded fails to take out a permit for such parcel within sixty days after the date of award; or in case a permittee fails to make renewal when the right to do so has been granted within sixty days after the expiration of the permit, the right to obtain such permit or such renewal, as the case may be, and the deposit or bonus made in that connection may at the discretion of the Minister be forfeited to the Crown.

22. The right to obtain such permit on any parcel, or the permit itself, or any interest therein, shall not be assigned or transferred without the consent of the Minister, nor until any outstanding permit in the name of any of the parties concerned has been returned duly completed to the office of the Superintendent and all dues and other charges shall have been paid thereon. The fee for the registration of such assignment or transfer shall be two (\$2.00) dollars in advance.

23. One half the cost of patrolling and fighting fire to guard the timber covered by any such permit shall be defrayed by the permittee, the Crown defraying the other half. Such cost will be apportioned so that it will bear the same proportion to the total cost of fire guarding the whole park as the area covered by such permit bears to the area of the whole park. Payment of such cost shall be made on or before the 31st day of March following the date of such apportionment.

Green timber permits.

24. The Minister may, by public competition or otherwise, dispose of the right to obtain a permit to cut green timber for thinning out dense growths, making roads or any other improvement in Dominion Parks. Every such permit shall state the quantity and sort of timber granted and the dues charged for each sort. No ground rent shall be charged but all dues shall be paid on issue of such permit and shall remain the property of the Crown whether the permittee operates or not. The permittee shall be entitled to only one renewal of such permit.

25. Sections 14 to 24 both inclusive which apply to permits for dead timber shall, excepting sections 19 to 21, apply also to green timber permits.

Dues.

26. The dues to be charged for dry wood shall be as follows:—

A. For timber, mining props, railway ties, posts and rails measuring:

(1) Eleven (11) inches and over in diameter at the butt end, one-fifth cent (1-5) per lineal foot.

(2) Nine (9) to eleven (11) inches in diameter at the butt end, one-tenth (1-10) of a cent per lineal foot.

(3) Five (5) to nine (9) inches in diameter at the butt end, one-twentieth (1-20) of a cent per lineal foot.

(4) Under five (5) inches in diameter at the butt end, free, if piled separately and thus made available for inspection.

B. For cordwood, twelve and one-half (12½) cents per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

27. The dues to be charged for green wood shall be as follows, payable on issue of the permit:

A. For timber, mining props, railway ties, posts and rails measuring:

- (1) Eleven (11) inches and over in diameter at the butt end, three-fifths of a cent (3/5c.) per lineal foot.
- (2) Nine (9) to twelve (12) inches in diameter at the butt end, three-tenths of a cent (3/10c.) per lineal foot.
- (3) Five (5) to nine (9) inches in diameter at the butt end, three twentieths of a cent (3/20c.) per lineal foot.
- (4) Under five (5) inches in diameter at the butt end free, if piled separately and thus made available for inspection.

B. For cordwood, twenty-five cents (25c.) per cord. Wood to be classed as cordwood must before removal be cut into lengths not more than four (4) feet.

28. Statement of all timber removed by any permittee from any Dominion Park shall be made to the Superintendent thereof, quarterly, by the permittee removing such timber. Such statements shall give all information required as may be specified on forms prescribed by the Department; no such timber shall be shipped until the Superintendent of the Park concerned has been notified and permission has been given by him for shipment.

Seizures.

29. All timber cut within any Dominion Park upon which any dues are in arrears, or which has been cut without proper authority, shall be liable to seizure whether it is in the possession of the person by whom it was cut or of any other person, and whether it has or has not been removed from the Park, and in case such timber is seized, the person by whom it was cut shall, in the discretion of the Minister, forfeit all permits and all right to obtain a permit within a Dominion Park, in addition to any other penalty provided by The Forest Reserves and Parks Act or by these regulations.

30. Double dues may be charged on all timber seized and unless they are paid forthwith and unless the person who cut the timber can establish to the satisfaction of the Superintendent that the cutting was done without wilful intent to contravene the regulations, the timber shall be confiscated and may be disposed of by public auction after the same shall have been advertised as prescribed by the Superintendent and if no bid equal to the amount due to His Majesty on such timber is received it may be disposed of by private sale.

31. If timber cut in a Dominion Park, on which any dues are in arrears, or which has been cut without proper authority, has been removed beyond the reach of the Superintendent, the person responsible for the cutting shall be liable to a payment of at least double dues on the quantity so cut, as determined by the Superintendent, providing that such person can establish that such arrearage of dues existed or cutting of timber was done without wilful intent to infringe these regulations; in case he cannot so establish such intent to the satisfaction of the Superintendent he shall be liable to a fine of not less than one (\$1) dollar, and not more than three (\$3) dollars for every tree unlawfully cut.

32. If any green timber is cut upon any area granted under a permit for dry timber it shall be presumed to have been cut by such permittee, and he shall be liable to the penalty prescribed by these regulations, and such permit shall be cancelled and at the option of the Minister the permittee shall not be entitled to hold or to obtain any permit in any Dominion Park; provided that if such cutting has been done under special permit, or if the permittee shall prove to the satisfaction of the Minister that such cutting was not done by him or by his direction, or by his permission, or through any negligence on his part, he shall be absolved from the penalties and relieved from the liabilities prescribed by this clause.

33. The Superintendent or any Parks Officer shall have authority to make seizures of timber as herein provided.

Removal of Private Property.

34. Upon the expiration of any timber permit, the permittee shall forthwith remove from Crown Land covered by such permit, or used in the operation thereof, all logs, cordwood, buildings, chutes and other property belonging to him. Any such property that is not so removed, shall be the property of the Crown.

Stamps on Floated Timber.

35. No timber shall be put into a lake or stream in a Dominion Park, to be floated until it is marked with a stamp furnished by the permittee, and approved by the Superintendent of the Park, and until copy of said stamp is placed on record in the office of the Superintendent.

Removal of Live Trees.

36. The removal of young live trees from the Dominion Parks shall be subject to such terms and conditions as may be prescribed by the Minister.

Penalty.

37. As provided in section 20 of The Forest Reserves and Parks Act, chap. 10, 1-2 Geo. V, any person violating any of these regulations shall, in addition to any civil liability thereby incurred, be liable on summary conviction to a penalty of not more than one hundred (\$100.00) dollars, and in default of immediate payment of such penalty and the costs of prosecution, such person may be imprisoned with or without hard labour for any term not exceeding six months. 45-4

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 26th day of February, 1915.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th February, 1915, from the Secretary of State, submitting,—with reference to an Order in Council dated 24th November, 1914, which tentatively approved of a form of Certificate of Naturalization under The Naturalization Act of 1914, and provided that the same should be forwarded, through the Governor General's Office, to the Secretary of State for the Colonies, for consideration and approval, in order that there might be as great uniformity as possible in the Certificates of Naturalization granted by the Home Government and those of the various Dominions,—that upon this form being submitted to the Home Government, a despatch was received by His Royal Highness the Governor General from the Secretary of State for the Colonies intimating that the form in use in Great Britain is preferable to that proposed by the Order in Council above named, and that the practice which has prevailed since the year 1870 is that which is proposed to be continued;

The Minister further submits for the consideration of the Governor General in Council that the Certificate approved of by Order in Council, as aforesaid, differs from the Certificates under The Imperial Naturalization Act, which have since been published in the *London Gazette*, copies of which are attached hereto, in the following respects:

1. It is much shorter, the recitals of the Certificate of the United Kingdom being eliminated;
2. The Certificate of the United Kingdom provides on the face of it that it is not to be effective until the Oath of Allegiance is taken;
3. Particulars in greater detail are shown on the certificate;

that with respect to the first difference, while the recitals add to the formality of the document, it gains in no other respect; that it is proposed to have the certificate engraved from a steel plate on one piece of paper, and that the addition of recitals may make it necessary to lessen the size of the script, rendering it difficult to read; that the second difference is to the advantage of the proposed Canadian Certificate, which becomes immediately effective on its face, and not subject to any condition,—

The Minister, therefore, recommends that if the attached forms of certificate meet with the approval of the Governor General in Council, that the same be approved, namely :—

1. Certificate of Naturalization ;

2. Certificate of Naturalization, where names of children are included ;

3. Certificate of Naturalization granted to a minor ;

4. Certificate of Naturalization, special, granted to a person with respect to whose nationality as a British subject doubt exists ;

5. Certificate of Naturalization, granted to a person who was naturalized before the passing of the above mentioned Act.

The Committee concur in the foregoing and submit the same for approval.
